As the end of the year approaches, please remember any medication stored in the health room needs to be picked up before the end of the school year. This includes any over the counter medication i.e.: Tylenol, Advil, Tums etc., or prescription medication.

Any medication not picked up from the health room will be discarded. You may stop in the health room between 8:00 am and 2:45 pm, **before the end of the day, Friday, June 8** to pick up your child's medication(s). If you have any questions please call 246-6477 ext. 4154. Thank you.

Attention all DC participants

You should have received a letter in the mail from World Strides this week. Please submit the medical form and your roommate choices to Ms. Watton by this Friday. If they are not submitted by Friday, she gets to pick your roommates for DC this fall. If you did not receive a letter, please let her know.

School Supply Donations

As the year is coming to a close, you will start cleaning out your locker! There is a school supply donation happening this week when clean your locker out!

You can donate pencils, pens, paper, folders, notebooks, scissors, binders, and glue. Just make sure that they are unused or gently used. Place your donations on the flatbeds near your house classes so underprivileged students can receive them. Thank you!

TMS Class of 2018 Completion Ceremony to Stream Live!

Watch the Completion Ceremonies of the Class of 2018 live from home! Avoid the heat and crowds of the main gym by watching the ceremony through the livestream of the event. This is a great option for family and friends who cannot be present on the day.

The broadcast can be found in several places - choose the one most convenient for you. The video will be available on the Templeton Middle School page of the school district website, toward the bottom, under SCHOOL NEWS; on the Charger Television streaming site at ChargerTelevision.com; and, since the ceremony will be carried by YouTube Live, a search of YouTube will also find the event.

For those who wish to be present on site for the ceremony but do not have tickets to be seated in the gym, Overflow Seating is available right across the hall in the Little Theatre. Closed circuit video will provide a great view of the ceremony in

comfort! Come to school with your student, watch the ceremony from the Little Theatre, and then rejoin family and friends at school to celebrate! Great for extended family and friends!

If you would like to order a DVD copy of the Completion Ceremony as a keepsake or a gift, orders can be placed on through the streaming site at ChargerTelevision.com.
