The policy also restricts access to locker rooms to protect students. No one is allowed to enter the locker room unless authorized by the building principal or designated locker room supervisor. No media are allowed to access locker rooms before, during, or after any school athletic event or practice. Coaches and student athletes may be available for interviews directly outside locker rooms, consistent with district policy and school rules. Persons who violate the policy

shall be subject to school disciplinary action and/or other penalties under state law.

## Did you order a Yearbook when you paid your fees?

Just a reminder that Yearbooks are NOT included in your child's school fees. Please make sure to go into Payments & Fees and select: *2018-19 TMS Yearbook for \$25*. We want to make sure your child receives one at the end of the year.

## Convenience of recurring lunch fund payments now available

A new convenient feature for recurring lunch payments is available to parents who want to ensure their children's accounts won't run out of funds and avoid automated messages regarding lunch balances.

Parents can now choose to:

- make a specific recurring payments each month; or
- replenish their child's account automatically when it reaches a minimum balance.

Families can activate these payment options by going to the payment section in Infinite Campus. The recurring payments option is at the top of the page. Then choose: child for whom payment will be made > add > either "monthly" or "low balance" option.

The recurring payment feature will be turned off in June each year and must be reset the following school year.
