Girls Basketball

The 7th grade girls basketball team had their home opener for the season, and it certainly was an exciting game! The Bulldogs unfortunately fell to Richfield 26-25. Emma Kennedy played a great all-around game with great offense and defense. Aashi Iyengar played great defense and showed great effort.

The 8th grade girls played a hard fought game against the Richfield Raiders last night, coming up short with a final score of 27-18. Your Lady Bulldogs had a much improved game from Tuesday. Jordyn Harris and Emma Heintz played some aggressive defensive, while Izzy Niebler and Taylor Huebner led the team in rebounding. Leading the team in scoring was Taylor Huebner with 8 points. Kayla Krueger and Julia Bruch added four points apiece while Richelle Thornton had a basket for 2 points. The team plays at home next Tuesday against Slinger. Come out and rock the dog pound!

Cross Country

One good thing about the major mosquito epidemic we are having outside these days is that our Bulldog Cross Country Team is running faster and faster to get away from them!!!

Last night in Pewaukee our runners dominated the hilly course against 8 other teams and made a lasting impression!

Our 6th and 7th grade girls ran together and placed 1st overall! In 5th place (19th overall) for TMS out of 109 runners was Abigail Mushrush; in 4th place (10th overall) was Kielee Sonnemann; in 3rd place Chloe Paar (7th overall); in 2nd place for TMS and 2nd

overall was Carly Elkin; and in 1st place overall and for TMS was once again Maya Desai!

Our 6th and 7th grade boys also ran together and our 6th grade boys picked up the pace to cover for their fallen friend. In 5th place for TMS (13th overall) out of 151 runners was Brady Chavannes; in 4th place (12th overall) was Nate Glapa; in 3rd place (11th overall) was Gage Kuhlenbeck; in 2nd place (9th overall) was Asher Haas; and in 1st place for TMS and 4th overall was Nate Zembles. Way to go!!!

Our 8th grade girls showed they are tough as nails by also placing 1st overall out of 96 runners. In 5th place for TMS (18th overall) was Colleen Flynn; in 4th place (17th overall) Ava DeCleene; in 3rd place (12th overall) Kenzie Friedrich; in 2nd place (7th overall) Leah Ezrow and in 1st place for TMS and 5th overall was Brooke Price.

Our 8th grade boys ran a nice race and placed 4th overall as a team. In 5th place (22nd overall) out of 100 runners was Evan Bunker; in 4th place (21st overall) was Logan Hatcher; in 3rd place (19th overall) was Carson Chavannes; in 2nd place (15th overall) was Tyler Moore; and in 1st place for TMS and 9th overall was once again, Will LaCroix!

We will tell you as their coaches...and teachers...winning NEVER gets old.
