#### Templeton Community Veterans Day Video

Veteran's Day is less than a month away, which means we are closing in on Templeton's fantastic Veteran's Day Program. During our Veteran's Day Program, TMS honors our heroes by showing pictures of service men and women that are related to students and faculty at Templeton. If you have a family member that has served or is serving our nation, and you'd like to honor them during our Veteran's Day Program, please fill out The Veterans Day Video Information Sheet found in the office. To honor them properly, a picture will also need to be turned in with the form. Mrs. Leitzke will be available at the main entrance before school to collect these items. The last day to turn this in is Friday, October 26. Take advantage of this opportunity to honor your family's veterans by picking up a form in the office.

#### Sci-Fi Club is now FULL

We have reached the maximum amount of students for Sci-Fi Club, we will NOT be accepting any new permission forms.

#### TMS Reading Challenge

565,000 minutes! That is the Templeton Middle School Reading Challenge given to us by the Milwaukee Wave. Can you read outside of school just 20 minutes a night? 100 minutes a week? 500 minutes in a month? The staff at TMS believe you can. So, what's in it for you I get it, there has to be a pay-off. There are a lot of researchers out there who would say that you will do better in school because of those minutes. Or that reading helps you learn about people and places that we may never visit. Or, that it will allow your body that wonderful relaxation time where you just sink into a chair and visit other worlds.. OR, by reaching your goal of 100 minutes a week, you will get free tickets to a Milwaukee Wave game. Who doesn't love free stuff?! So let's start tonight. Open your agenda and make yourself a reminder note to READ! In fact, maybe you will want to write the exact time you plan to read to make sure it's part of your daily plan.

#### White Cane Safety Day

Tap, tap, tap... that's the sound of independence. That's the sound of people with visual impairments around the United States- and all over the world - using a white can to confidently navigate to work, around their neighborhoods or to wherever their plans take them.

There's no better day to celebrate the power of the white can than October 15 - White Can Safety Day. It's the day set aside by the federal government to recognize the independence and skill of people who use white canes. It's also a reminder that laws in all 50 states require drivers to yield the right of way to people with white canes, even when they're not in a crosswalk.

#### Girls Basketball

Last Thursday night the 7<sup>th</sup> grade girls lost in a tough matchup against Slinger Middle School. Emma Kennedy played a great game for the Bulldogs finishing with 11 points. Phoebe Venn finished with 6 points, and Gabbie Tomyzck added 2 points. The team will be traveling to Menomonee Falls tonight for their next matchup.

#### Cross Country

Our TMS Bulldog Runners ended their season on Thursday last week with the absolute BEST performance we have seen all year. We almost had to call a U-Haul, because out of 6 races...

Templeton took home 4 of the 6 first place trophies!!!

Out of 27 total teams, our 6<sup>th</sup> grade girls placed 6<sup>th</sup> overall, and then, our 6<sup>th</sup> grade boys, 7<sup>th</sup> grade girls, 7<sup>th</sup> grade boys and 8<sup>th</sup> grade girls all placed first overall, and our 8<sup>th</sup> grade boys placed 7<sup>th</sup> overall. Although it was cold...the hearts of us coaches could not have felt warmer...or maybe it was the special guest appearances of former teachers Mr. and Mrs. Matthieson that brought the good luck and made the night even more special.

The top 5 finishers for the 6<sup>th</sup> grade girls out of 155 runners were in 5<sup>th</sup> place (47<sup>th</sup> overall) Ella Apriesnig; 4<sup>th</sup> place (42<sup>nd</sup> overall) Lucy Vernon; 3<sup>rd</sup> place (35<sup>th</sup> overall) Nicole Moore; 2<sup>nd</sup> place (32<sup>nd</sup> overall) Leah Gonwa, and in 1<sup>st</sup> place for TMS and 31<sup>st</sup> overall was Lucy Taormina.

The top 5 finishers for the 6<sup>th</sup> grade boys out of 178 runners were in 5<sup>th</sup> place (9<sup>th</sup> overall) was Gage Kuhlenbeck; 4<sup>th</sup> place (7<sup>th</sup> overall) Ben LaCroix; 3<sup>rd</sup> place (4<sup>th</sup> overall) was Nate Glapa; 2<sup>nd</sup> place (3<sup>rd</sup> overall) was Nate Zembles; and in first place for TMS and 1<sup>st</sup> overall was...you guessed it, Matt Kabitzke.

The top 5 finishers for the 7<sup>th</sup> grade girls out of 185 runners was in 5<sup>th</sup> place (25<sup>th</sup> overall) Kielee Sonnemann; 4<sup>th</sup> place (13<sup>th</sup> overall) was Abigail Mushrush; 3<sup>rd</sup> place (10<sup>th</sup> overall) was Chloe Paar; 2<sup>nd</sup> place (5<sup>th</sup> overall) Carly Elkin, and in first place for TMS and 3<sup>rd</sup> overall was Maya Desai!

The top 5 finishers for the 7<sup>th</sup> grade boys out of 275 runners was in 5<sup>th</sup> place (41<sup>st</sup> overall) Andrew Swope; 4<sup>th</sup> place (22<sup>nd</sup> overall) Owen Voigt; 3<sup>rd</sup> place (21<sup>st</sup> overall) Maddox Schomann; 2<sup>nd</sup> place (20<sup>th</sup> overall) was JP Wollner; and in first place for TMS and 16<sup>th</sup> overall was Jordan Loferski.

The top 5 finishers for the 8<sup>th</sup> grade girls out of 153 runners was in 5<sup>th</sup> place (31<sup>st</sup> overall) Kenzie Friedrich; in 4<sup>th</sup> place (18<sup>th</sup> overall) was Colleen Flynn; in 3<sup>rd</sup> place (15<sup>th</sup> overall) was Leah Ezrow; in 2<sup>nd</sup> place (9<sup>th</sup> overall) was Brooke Price; and in first place for TMS and 5<sup>th</sup> overall was Elise Elkin.

And finally, the top 5 finishers for the 8<sup>th</sup> grade boys out of 221 runners was in 5<sup>th</sup> place (35<sup>th</sup> overall) Michael Gouin; in 4<sup>th</sup> place (34<sup>th</sup> overall) was Cameron Bratzke; in 3<sup>rd</sup> place (27<sup>th</sup> overall) was Logan Hatcher; in 2<sup>nd</sup> place (17<sup>th</sup> overall) was Tyler Moore and in first place for TMS and 12<sup>th</sup> overall was Will LaCroix.

Thank you Bulldog Runners for a great season! We wish our 8<sup>th</sup> graders...most of which have been on the team all 3 years...the best of luck next year at HHS! Each time we open a can of soda, we will remember you boys, and girls...we will miss the many musical jam sessions on the bus. And Coach Dufrane...you will also be sadly missed as you venture on to Silver Spring Intermediate next year. High 5s to Coach DuFrane!

And thank you TMS staff for putting up with my never ending announcements. They really do mean the world to the kids to hear their names, and you know...we have a pretty good Cross Country team and we are proud of you! Keep on running!

#### Bulldog Football

The 8<sup>th</sup> grade Templeton football team won their last game of the year to Kettle Moraine by a score of 12-8. Nate Kollath had a rushing touchdown and DeMar Neal scored on a pass from Aidan Konop. Scout Lauer had a key fumble recovery at the end of the game to seal the victory for the team. It was a great season by all the players!

The 7 Blue football team played a hard game on Saturday against Kettle Moraine. The Bulldogs lost 19-6, but after a tough first

half shut out the Lasers and scored a touchdown to make it a close game. Kyle Lavoy and Tyler Hatcher were on fire catching almost every pass thrown their way. The offensive line and fullbacks did a great job holding off the pass rush, and everyone on defense tackled well. Great job all Bulldog players!

Good Luck next year!

The 7 White Bulldogs finished off the year with a 12-0 victory over Waukesha North on Saturday. It was a great team win and a great way to wrap up a great season.
