#### Tie-Dye Friday

Do you know who Jean-Mark Gaspard Itard was? Well, he helped educate students with disabilities in the late 1700s. He broke all of society's standards to help better students' lives. Even if they had 1 extra chromosome, he knew that everyone was special in their own way. His kind and empathetic ways helped create many futures for students with special needs. There are students in our own school that have special needs and this week we are bringing awareness to Templeton! So, remember to wear your tie-dye this Friday!

#### December 13—Washington, DC Parent Meeting tonight

*Next year's* Templeton 8th grade students are invited to participate in an extended trip to Washington, D.C. The D.C. trip is offered as an annual trip for 8th grade students only. That means that **CURRENT** 7th grade students interested in traveling to D.C. next fall should attend a parent/student informational meeting tomorrow, Thursday, December 13, at 5:30 pm in the cafeteria. Mr. Schneider and Ms. Watton will explain all the trip has to offer, the requirements and how to sign up. There is a discount on the application fee you sign up early!

#### Dress for the weather at lunch

With cold weather upon us, please remember to bring a coat or sweatshirt with you to the cafeteria. Students are not allowed to go back to their locker once they are in the cafeteria. If you do not bring your coat with you, you will be required to stay inside.
