*Game Changer* by Tommy Greenwald

## TMS Book Swap

Do you own some books you've finished reading and would like to swap for some different ones? If you do, dig them out and get ready to bring them into school next week Tuesday, Wednesday, or Thursday. To celebrate Dr. Seuss' birthday and Read Across America we are going to have a Book Swap. Start looking for books you own and don't want to reread but other TMS students would like to read. You can swap for the same number of books as you bring in or you can choose to donate your books to those in need.

Bring in books Tuesday 2/26, Wednesday 2/27 and Thursday 2/28. Drop them off on your way into school in the gym lobby. One ticket for each book!

Come to the **LGA** during lunch on **Thur. Feb. 28** and pick out a new book for each ticket!

## Schools will not make up February 12 snow day, but high school daily schedule adjusted

Wisconsin winters can be unpredictable, but this winter has been exceptional when it comes to school closings. To date the district

has missed five school days due to inclement weather. Previously it was announced that the Jan. 23, 28 and 31 school closings will be made up on April 22, May 24 and June 12, and there will be no make-up day for Jan. 30.

The Feb. 12 missed day of school will not have a make-up day, however, the high school daily schedule will be adjusted to gain more instructional time. DPI requires more hours of instruction for high school students than it does for those in grades K-8, therefore other schools do not need to make up the day or change their daily schedules.

To recap:

- Jan. 23 - make-up day April 22
- Jan. 28 - make-up day May 24
- Jan. 30 - no make-up day
- Jan. 31 - make-up day June 12
- Feb. 12 - no make-up day, HHS daily schedule adjusted

## Skiers & Boarders - UPDATES

Saturday still has a few spots open. Forms will be accepted thru tomorrow morning, **TUESDAY**. Bus lists will be posted by Wednesday outside the cafeteria. Participants need to be a TMS at 7:00 am Saturday morning.

Forms are now available in S1, SA10 or the office. Deadline is tomorrow!

## Parents are reminded to follow drop off and exiting parking lot procedures

- Parents are urged to have incoming 6th graders enter through the gym doors to meet up with their House teachers in the main gym.
- To help with traffic flow... **NO LEFT (east) TURN from west drive from 7:00 am-7:30 am and from 2:30 pm-3:00 pm. If you need to go east when exiting the parking lot, please use the east driveway.**

- Thank you for your patience and understanding as we try to devise the safest and most efficient procedures for you and your children.

## Students checking in late or returning from an appointment

Students that are late or are returning from an appointment will **NOT go to Guidance to check in**. Please stop at the front desk to check in and get a pass.

- Parents do NOT need to come into the building when dropping off a student.
- Parents DO need to come in when picking up a student at any time DURING the school day. We MUST see who takes a student OUT of the building.

## Dress for the weather at lunch

With cold weather upon us, please remember to bring a coat or sweatshirt with you to the cafeteria. Students are not allowed to go back to their locker once they are in the cafeteria. If you do not bring your coat with you, you will be required to stay inside.
