### 7<sup>th</sup> Graders going to Washington DC

Attention all 7<sup>th</sup> graders going on the Washington, DC trip next fall...

You will be receiving two forms from your Social Studies teacher this week. One is a medical form that needs to be completed by your parents. The other form is for requesting your roommates at the hotel. This is the form in which you can request who you would like to room with. If you can find a group of four and list each other as roommates, you will have a good chance of being able to room together. Otherwise, we will TRY to be sure you are rooming with at least one of the people you have on your list. The forms need to be returned no later than Friday, May 31, to Ms. Watton. If she doesn't have both forms back by that date, SHE will get to pick your roommates for the trip!

### All Outstanding Fees are due

All outstanding school and class fees are due immediately, along with fines for IMC materials. Eighth grade students, please note that all fees must be resolved prior to the last day of school in order for you to participate in the completion program. Please submit all online payments in Infinite Campus or by sending a check/cash payment to the front office.

Students who are retained, will not participate in completion practice at school or the Completion Ceremony that same evening.

Also, students who owe financial obligations - including, but not limited to school fees, book fines, library fines, lost text fees, etc. will not be allowed to participate in the Completion Program or the completion practice at school. They are able to participate in activities during the day. All grade 8 teachers are asked to make sure students are aware of and are reminded of this information!!
