

July, 2019

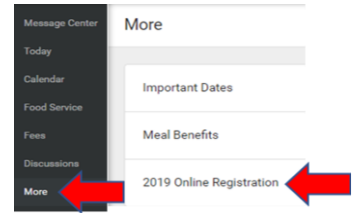

Dear Parents and Guardians:

We hope your summer has been enjoyable. With July quickly ending, we would like to welcome you to the new school year and inform you of the **three required stages** of the registration process for the 2019-20 school year.

1. Complete Online Registration Verification (OLR).
2. Pay fees through the Parent Portal of Infinite Campus.
3. Attend Pictures, Locks, and Parking Day on **Tuesday, August 6** from **1:00 p.m. until 6:00 p.m.** or **Wednesday, August 7** from **7:00 a.m. until 9:00 a.m.**
 - The online registration window for updating information and paying fees is August 1 to August 11.
 - [Online Registration \(OLR\)](#) should be completed using a PARENT portal, not a STUDENT portal. Enter required demographic information to be verified online through the [Online Registration Portal](#).
 - If needed, school computers will be available for your use Monday through Thursday 7:30 a.m. to 3:00 p.m. Stop by the High School Office for assistance.
 - At Pictures, Locks, and Parking Day, (**Tuesday, August 6--1:00 p.m. until 6:00 p.m.** or **Wednesday, August 7--7:00 a.m. until 9:00 a.m.**) students take photos for ID's, pick up locks that were paid for online, and show required paperwork for parking permits (purchased online prior to August 6). Hamilton attire will be available for purchase.
 - Students who completed OLR and purchased a parking permit online will be required to show proof of driver's license, current registration, and insurance in order to receive their parking permit on one of the Pictures, Locks, and Parking days.

Directions for Online Registration and Fee Payment:

1. Log into your [Infinite Campus Parent Portal](#) account during the window of August 1 to August 11. On the left of the parent portal, click on "more" and then on the right, click on the "Registration" link. See picture for reference. If you do not have an Infinite Campus Parent Portal account, contact campushelp@hamilton.k12.wi.us.
2. Update household information, emergency contacts, and health information as prompted. Sign off on student handbook, technology agreements, and graduation requirements (seniors).
3. [Pay fees](#) after updating information. Registration fees and course fees are required and will appear automatically. Course fees are based on student schedules, which will be available online beginning August 6.
4. **Add any optional fees.**
 - Optional fees appear on a dropdown menu and include such items as **yearbook**, parking, fall athletic fees, and replacement locks.
 - All students must have a red hall lock and black phy ed lock. Black phy ed locks from Templeton and red and black locks from previous high school years can be used. If your child does not have a red or black lock, add these optional fees.
 - **A red lock fee has already been added for all freshmen.**
5. Parking (optional)
 - Complete Online Registration (OLR). Enter required parking information.
 - [Pay fee online before August 6.](#)
 - On August 6 or 7, come to school and show a driver's license, registration, and proof of insurance to receive a parking permit.
 - Parking spots will be randomly assigned by grade in school. In order to get spots closest to school, seniors must pay for parking online **prior to August 6th** and pick up a parking permit on August 6 or 7.
 - Because spots will be issued randomly, there is no benefit to be the first in line. However, in order to accurately reserve parking spots for seniors, seniors must pay for parking online **before** August 6.

Student schedules will be available on Infinite Campus beginning August 6. Due to construction and cleaning, these schedules will not include locker assignments. We will send out notification when locker assignments are available on the students' schedules in mid-August. Students can begin locker set-up on Monday, August 26.

We all look forward to the new school year, and we extend a special welcome to our incoming freshmen, as well as students new to our community. If you have any questions regarding the enclosed information, please call 262-246-6471 ext. 1102.

Sincerely,

Rebecca Newcomer
Principal

The following stations will be available at Pictures, Locks, and Parking Days:

Locks (Cafeteria)

- Pay for your lock(s) online and pick up your lock(s) at one of the Picture, Locks, and Parking days.
- All locks must be purchased through Hamilton High School. Students are **required** to use a **RED LOCK** for their hall locker and a **BLACK LOCK** for their gym locker. Students may use any lock from a previous year at HHS. A black TMS lock may be used for gym lockers. Locks are \$5 each. **A red lock was added automatically to the fees for each freshman. If you need a replacement lock, please add this to your fees.** Due to cleaning and final building preparations, locker set up will begin August 26.

Parking (Cafeteria)

- Students who have completed the OLR process and purchased a parking permit online will show proof of driver's license, current registration and insurance (for each car that will be parked at school). Parking spots will be randomly assigned by grade in school, with seniors who pay for parking before August 6th getting spots closest to school. In order to accurately reserve enough parking spots for seniors, seniors must pay for parking online prior to August 6th and pick up a parking permit on August 6th or 7th. Because spots will be issued randomly, there is no benefit to being the first in line. Parking permits cannot be purchased unless all other fees (from current and past years) are paid. Students will leave Pictures, Locks, and Parking Day with their parking permit.

Aspire Test Results (Cafeteria)

- Current sophomores and juniors should pick up their Aspire test results from the spring testing.
