Girls Basketball

H-O-L-Y S-M-O-K-E-S !!! The 8th grade girls opened up their season with a barnburner against Lake Shore, coming up short with a final score of 35-36. After being down 16-24 at the half, your Lady Bulldogs fought back to rally 19 points in the second half, leading by 1 point with 15 seconds left. A heartbreak steal and basket capped the win for Lake Shore, but the Templeton played outstanding defense second half and shut down Lake Shore's leading scorer. Top scorer of the night was Ramsey Botsford with 18 points, followed by Emma Kennedy with 9. Ashley Boyle and Phobe Venn each added four points. Jenna Mendoza and Aashi Iyengar did a great job of crashing the boards and excellent hustle by Tarunpreet Kailey and Erika Houston. The team plays at home Monday against Slinger.

The 7th grade Bulldog girls started out the season in a big way winning their opener 61-9 at home Thursday. Great defense and balanced scoring was key in the victory. Cameron Dahlquest poured in 14pts, Eva Finnessy & Jacy Fierst added 12 each and Zariah Green had 10.

Cross Country

Our Bulldog runners almost needed a UHaul to bring home all the trophies and medals from the Cross Country meet at Pilgrim Park last night!

12 large teams showed up and tried to out run our Bulldogs, but we pounded the trails and left many of the other runners in our dust.

We do not have the final team placements for our 7th grade girls race, but out of 220 runners, the top 6 finishers for TMS are as follows: In 6th place is Brooke Lykins (73rd overall); 5th place Ella Apriesnig (69th overall); 4th place was Natalie Gehrke (68th overall); in 3rd place was Lucy Vernon (56th overall); in 2nd place was Reese Asplund (53rd overall) and in first place for TMS and 50th overall was Lucy Taormina.

Our 7th grade boys remain undefeated and brought home the 1st team trophy out of 281 runners. It is my pleasure to announce some new names to our top 6 list for 7th grade boys as some of our top runners were unable to make it to the race...and they STILL placed 1st. The top 6 for TMS were in 6th place Nolan Walecka (39th overall); in 5th place Gage Kuhlenbeck (17th overall); in 4th place was Brady Chavannes (13th overall); 3rd place was Jack Flynn (10th overall); in 2nd place was Noah Bilstad (9th overall) and in first place for TMS and 4th overall was Nate Zembles.

The 8th grade girls did an awesome job with only 5 runners for TMS, out of 105 total runners, Kielee Sonneman placed 75th overall; Megan Heine placed 48th overall, Abigail Mushrush placed 12th overall; Carly Elkin placed 5th overall and Maya Desai carried home the gold medal by placing 1st overall.

The 8th grade boys also added to our growing trophy collection and placed 1st overall as a team. Out of 183 runners, placing 6th for TMS (36th overall) was Owen Voigt; 5th place (25th overall) was Justice Bates; in 4th place for TMS (20th overall) was JP Wollner; in 3rd place for TMS (7th overall) was Jacob Unger; in 2nd place for TMS (6th overall) was Maddox Schomann, and in 1st place for TMS and 4th overall was Jordan Loferski.

Great Job Bulldogs and don't forget we have team pictures today after school so be sure to wear your team shirt.

Drama Club sign-up cancelled

Drama Club sign-up has been cancelled, as we have no advisor at this time.

Picture retake day

Picture retake day is set for Wednesday, October 2 in the main gym lobby. Ordering picture information: mylifetouch.com using our Picture Day ID: EVT6KZBPJ

Lifetouch Customer Service number: 800-736-4753 if you have questions.

Written notes no longer required if phone, email message sent

New this year, a written note is no longer required for normal daily absences when parents call or send emails notifying the school office. The Hamilton School Board made this change to simplify the normal daily absence notification process for families

Schools prefer that parents report absences by calling the school attendance line at 262-246-6477 ext 4150 or emailing a message to templetonattendance@hamilton.k12.wi.us

A Family Vacation Request form must still be completed when students will be absent for a family vacation, and state law requires that written notices must be provided to the school office for absences for religious reasons.

Parking for Parents

When visiting TMS, please do not stop or park directly in front of the building. ***You may park in unmarked open spots in the parking area, making sure NOT to park in the reserved or traveling teacher parking spaces.***

Wanted:

Paraprofessional - Supervision Templeton Middle School Hours: 11:30 am - 1:15 pm Monday - Friday Position

- Goal: To independently, or in conjunction with certified personnel, provide an atmosphere conducive to educational excellence, as determined by the administration.
- Timeline: Applications accepted immediately with interviews to follow.

Sussex TOPSoccer

TOPSoccer is an outreach program of Wisconsin Youth Soccer for children with disabilities. Children with disabilities have the opportunity to enjoy the game of soccer, get exercise, make friends and have fun!

Sussex TOPSoccer is looking for "Buddies" for our players. No soccer experience is needed to be a Buddy. The only qualification is a desire to help youths with special needs.

Our practices and games are held at 9AM on Saturday mornings at Templeton Middle School. If you would like more information on how to be a "Buddy", please email Amber Lyons, sussexbuddies@gmail.com

Important info every parent should know...

TMS Traffic pattern and drop-off information

Silver Spring Drive access for Templeton Middle school is:
East driveway - enter or exit in either direction. West driveway - restricted to right-turn only for both entry or exit.

Please watch out for children exiting vehicles and traffic pattern change.

[Please see map indicating these changes.](#)

Please be reminded that the earliest drop off should be no later than 7:00 am. Students will not have staff supervision.

To drop off Templeton students, enter the east driveway, proceed through the roundabout and go to the ***designated DROP-OFF ZONE which extends from the front office area to the main gym entrance and is designated with white paint. No vehicle stopping, standing or student drop-off in unmarked areas. PULL***

AS FAR FORWARD as possible along the DROP-OFF ZONE to allow for other vehicles. Once stopped, students should be ready to exit the vehicle from right side only onto the identified DROP-OFF ZONE painted white.
