Student drop off reminder
Parents, please make sure to ONLY drop off your child in the designated WHITE lines along the front of the building by the Student Drop-off signs. Be patient when others are dropping off their children and pull as far forward as you can in the white line area. This is for your child’s safety and others. Please watch out for children exiting vehicles and traffic pattern change. Please see map indicating these changes. Please be reminded that the earliest drop off should be no earlier than 7:00 am. Students will NOT have staff supervision.

If students are absent or early pickup
Please remember to call the attendance line to report an absence OR if you are picking up your child early from school at 262-246-6477 ext. 4150. You may also send an email directly to attendance: templetonattendance@hamilton.k12.wi.us

A Family Vacation Request form must still be completed when students will be absent for a family vacation (3 or more days), and state law requires that written notices must be provided to the school office for absences for religious reasons.
