

Each Child.
Every
Opportunity
For Success

It is the
MISSION

of the Hamilton School District,
a child-centered,
progressive, proactive
organization,

to ensure maximum achievement
for each student through a
respectful, active learning environment;
rigorous, relevant curriculum; and
highly qualified, caring staff

in concert with
our diverse community.

The Hamilton School District is one of the highest-achieving, low-spending school districts in Wisconsin. It has a strong reputation as a student centered organization that delivers an excellent well-rounded education. The curriculum is comprehensive preparing students for whatever path they choose following graduation.

Standardized test scores are consistently above national and state averages and competitive with the highest achieving districts in the state.

Recent national and state awards include:

- Top rating on the state School Report Card -- one of only ten K-12 school districts in Wisconsin achieving at the highest level
- Newsweek Magazine "America's Best High Schools"
- Washington Post "America's Most Challenging High Schools"
- Advanced Placement's "AP Honor Roll" nine consecutive years

Community information
Located west of Milwaukee in northern Waukesha County, the Hamilton School District covers about 35 square miles, has more than 25,000 residents and serves 4,886 students.

The district serves six municipalities — the villages of Sussex, Menomonee Falls, Lannon and Butler, the town of Lisbon and the city of Pewaukee. Located throughout the district are three municipal public libraries, three golf courses, municipal parks, bike and snowmobile trails and a county park with swimming, camping and ski trails.

Carroll University, University of Wisconsin-Waukesha and Waukesha County Technical College are within 10 miles of the district.

Proximity to Milwaukee offers residents cultural, entertainment and sporting activities including professional theater, ballet, symphony, baseball, basketball and football.
