Student drop off reminder
Parents, please make sure to ONLY drop off your child in the designated WHITE lines along the front of the building by the Student Drop-off signs. Be patient when others are dropping off their children and pull as far forward as you can in the white line area. This is for your child’s safety and others. Please watch out for children exiting vehicles and traffic pattern change. Please see map indicating these changes. Please be reminded that the earliest drop off should be no earlier than 7:00 am. Students will NOT have staff supervision.

Dress for the weather!
Students should be reminded that if they want to go out for recess during lunch, they will need to dress appropriate for the weather. Students must have coats (not just a sweatshirt), hats and gloves. Boots are also recommended. If you do not bring your coat with you, you will be required to stay inside. Students are not allowed to go back to their locker once they are in the cafeteria. It's cold out.
