

HAMILTON FINE ARTS CENTER

With the safety and well-being of our patrons, performers, staff, students and community at the forefront of our minds, we are eager to welcome you back to the HFAC!

Based on guidance from the Hamilton School District and our local government agencies, we are implementing new safety measures, which are applicable at all times in all areas of the building for all types of uses (both rehearsals and performances).

Here's what you need to know about returning to the HFAC...

At Risk Patrons and Performers

- Those who are at-risk (such as those over 65 years old, those with underlying health conditions, or those feeling ill) should stay home.
- We strongly encourage you to wear a face covering. HFAC staff will be encouraged to wear a face covering.
- There will be no onsite ticket sales, concessions or coat check.

Come Early

- The HFAC will open 30 minutes before the event.
- A single entrance door on the south side (ADA-accessible) of the HFAC will be open. Patrons will move directly from the lobby entrance to their seat in the theatre.
- Come early. The building is limited to 25% capacity (187 seats). Once the event begins, the doors will be closed and locked.

Social Distancing is Required

- Every other row will be used for seating. Individuals in each row must social distance with at least two seats between each family unit. (Families may sit together.)
- There will be no congregating in the lobby before, during or after event.
- Intermission is strongly discouraged.

Programs, Handouts and Tickets

- To avoid lobby congestion and assure event is within capacity guidelines, tickets should be pre-sold prior to event.
- We strongly suggest all groups will use digital programs, handouts and tickets.
- If digital formats are not feasible, programs or handouts will be available for pickup from a table in the lobby.
- Be ready to show your ticket at the door. Every patron must be holding their own ticket for the ticket taker to view.

Food and Beverage

- To avoid unnecessary cleaning by our staff, absolutely no food or beverage will be allowed in the building. These items will be disposed of prior to entering the lobby.
- There will be no concessions offered.
- There will be no access to the water fountains.

Cleaning and Sanitizing

- Hand sanitizer will be available at the lobby entrance.
- Our staff is working hard to assure the building is properly cleaned and sanitized between each event.
- We ask that you assure that anything that you bring into the building is either properly disposed of in garbage receptacles or taken with you.

Guidelines are subject to change based on recommendations from state and local health departments.
