Schedule change

This year we are excited to introduce a new class schedule at Templeton. Students will attend 5 classes a day in modified blocks for their core/house classes which consist of a combination of double class periods (block) and single class period (‘skinny’) classes. Students will have two block classes a day (core/house classes) and also have a ‘skinny’ for one core/house class and all allied arts classes. The modified block classes will meet every other day, on ‘A’ and ‘B’ day, and ‘skinny’ classes will meet daily.

This new schedule allows teachers to dive deeper into lessons, ask deeper thinking and processing questions, provide students time to process new information, and collaborate with one another. Our new schedule also helps reduce travel time in the hallway and keeps students together in cohorts longer. In addition, this modified block schedule better aligns with current schedules at Silver Spring Intermediate and Hamilton High School, which will make the transition between the buildings more seamless.

Athletics & Activities

At this time, we are planning for fall sports and activities to take place this fall. Please note that with guidance from the Wisconsin Interscholastic Athletic Association and the Waukesha Health Department, this may change at any time. Sports and activities may look different as far as how practices, meetings, or competitions are run, and that information will be shared out by coaches and advisors at a later date. Assuming sports/activities are able to run this fall, practices will begin as follows:

- Cross country: Sept. 8
- Football: Sept. 8
- Cheer: Sept. TBD
- Robotics: Sept. TBD
- Girls Basketball: TBD

Please note these additional important items:

- **In-person or mailed school fees** – If it is necessary to mail in or pay fees in person, make checks payable to Hamilton School District. Templeton School office hours are 8 am-2:30 pm.
- **Free and reduced lunch** - Apply online through Infinite Campus. Families who do not have Internet access should contact the district’s Nutrition Services Department at (262) 246-1973 x1142 to obtain a paper application.
- **Immunizations** - If your child is being registered for the first time or has received required immunizations over the summer, please download the immunization form during the online registration process, complete it and send it to the school office. Uncertain about whether your child needs additional immunizations? Please contact your healthcare provider.
