“If we are accepted with our limitations as well as our abilities, community gradually becomes a place of liberation. Discovering that we are loved and accepted by others, we are better able to accept and love ourselves. So community is the place where we can be ourselves without fear or constraint. Community life deepens through mutual trust among all its members.”

Dear Students and Parents/Guardians:

Welcome to the 2020-2021 academic school year! As we embark on a new school year, it is important, now, more than ever, to advocate for what you need in order to learn. In a time when we have faced challenges in combining face to face and virtual experiences, students must continue to voice their needs to teachers and administration. Whenever possible, take advantage of the opportunities to stay connected to our community through extra-curricular activities and athletics, and don’t be afraid to step out of your comfort zone, meet new people, and try something new.

Parents and guardians, thank you for trusting Hamilton School District to educate and care for your children. We know that this is a team effort and value your support and encouragement as we work together to create experiences that will strengthen not only their academics, but their whole social and emotional being.

I am proud of the mission that Hamilton has developed and want you to know that we, the teachers, paraprofessionals, administrative assistants, custodial and kitchen staff, and administration, are here to serve ALL of our students and families. Let’s have a great year!

Sincerely,

Rebecca Newcomer

Welcome - Student Council President

Students, Staff, Families, and The Hamilton Community,

It is a true honor and privilege to welcome you all to the 2020-2021 school year here at Hamilton. Like my predecessors, I can attest to the wide opportunities that this school has provided me. Hamilton is ready, with opening arms to welcome you, accept you, appreciate you, reward you, and provide for you. Regardless of where you intend to go with your life.

I know that this Pandemic, and the many deep divides we have witnessed in our country over the past few months, have made us all discouraged, angry, and sometimes hopeless. Experiencing and witnessing the effects that COVID-19 has had on our Hamilton community, has been very difficult on all of us. We students have had to transition to online learning. Teachers have had to convert all lesson plans to be compatible with the internet. All of us, regardless of our place in the Hamilton community, have found this transition difficult and stressful.

Yet despite all of what we have experienced over the past school year, I have seen the incredible resilience, strength, and determination of every single member of the Hamilton community. I have witnessed students continue to persevere and work hard. I have seen teachers continue to provide support, a listening ear, and additional flexibility to many students. Which I can personally attest to. I have seen seniors, despite having much uncertainty over what is to come, continue to contribute positively to Hamilton High school.

This is Hamilton High School. This is the Hamilton Community. Nurturing, supporting, empathetic, compassionate, strong, caring and resilient. You, regardless of whether you are a rising freshman, a rising senior, or a returning teacher, can expect all this and more at Hamilton High School.

The 2020-2021 school year is unique in the sense that many things are uncertain. As your Student Council President, I share in that feeling. What I can reassure you is that your next Student Council Executive Board is ready, eager, and prepared to meet these uncertainties head on. Hamilton has given us that mandate, and we will honor that mandate. Now, what you can be certain of next school year, is to find a passionate and energetic student body, as well as a superb staff ready to meet your needs. Even though what is to come this school year is uncertain, make the best of this year, and your time at Hamilton. Never be afraid to utilize the resources that Hamilton generously provides.

Let us all do our best to make this school year the best yet. We can do this Hamilton! It's our time, and our chance to do it.

Sincerely,

Matthew Lehner
Student Council President

Section 2 - Policies and Procedures

Academic Misconduct

Academic integrity is crucial to the learning environment at HHS because it ensures quality students who are responsible for their own thinking. Cheating, plagiarizing, or lying prevents students from thinking critically and analyzing content-area materials. As a means of clarifying the concerns of academic integrity, examples of cheating and plagiarism are defined below.

- Copying materials taken from sources, such as books, periodicals, newspapers, or the Internet without appropriate documentation (plagiarism).
- Submitting another person’s work as one’s own (e.g. other students, parents, siblings).
- Copying another student’s homework, test, quiz, project, book report, assignment, or take-home test or copying computer files from another person and representing the work as your own; changing, deleting, and adding to the programs, files and data without authorization of the owner.
- Using unauthorized materials to complete an exam or assignment or using resources without documentation on a task that is to be completed without resources.
- Providing or accepting information regarding specific test content.
- Stealing academic materials or copies of tests or answer keys.
- Changing answer(s) on a test, assignment, or project after grading.
- Changing grades in a grade book or altering a computer grading program.
- Using technology in a manner not specified by the teacher.
- Copying or downloading of electronic information without authorization.
- Collaboration when not permitted.
- Using an electronic translator for foreign language without authorization.
- Fabricating data in a lab setting.
- Using concealed notes on tests.
- Attempting to receive credit for the same work in two different classes without teacher authorization.
- Use of any unauthorized communication device, such as programming of notes, formulas, or other aids into a programmable calculator or electronic dictionary without prior authorization OR using a communication device such as a cell phone, pager, PDA, or electronic translator to obtain unauthorized information during an exam.
- Using cheat sheets, crib notes, texts, or the like without authorization.
- Buying work and claiming it to be one’s own.
- Allowing another student to copy a test, homework assignment, quiz, project, book report, assignment or take-home test.
- Doing work for others, writing papers, or completing assignments for other student(s) without authorization.
- Creating more than one copy of one’s work for distribution or intentionally accessing another’s material for the purpose of using it as one’s own.
- Other acts deemed as misconduct by the teacher and administration.

The following disciplinary measures will be enforced following any incident involving academic misconduct. Please note that referrals for academic dishonesty are cumulative over a student’s enrollment at Hamilton.

First Offense
1. A referral will be submitted through Infinite Campus.
2. The teacher will explain the infraction and consequences to the student and the parents of the student(s) involved.
3. The teacher may utilize but is not limited to one of the following options: The student will receive partial credit on a revised assignment specified by the teacher or the student will receive no credit on the assignment and/or have no opportunity to make up the assignment.
4. The student will be informed that any two future incidents of academic dishonesty in any class will result in a failing grade for the class in which the academic misconduct takes place.
5. Additional consequences for students involved in sports and extracurricular activities may be implemented per the co-curricular handbook.
Section 2 - Policies and Procedures

**Academic Misconduct continued**

**Second Offense**
1. A referral will be submitted through Infinite Campus.
2. The teacher will explain the infraction and consequences to the students and the parents of the student(s) involved.
3. The teacher may utilize but is not limited to one of the following options: The student will receive partial credit on a revised assignment specified by the teacher or the student will receive no credit on the assignment and/or have no opportunity to make up the assignment. If this is the second offense in the same class as the first offense, the student will receive a zero for the work involved.
4. An administrative conference will be held with the parents and student to discuss the infraction and explain that another incident of cheating will result in a failing grade for the course in which the academic dishonesty occurs.
5. Additional consequences for students involved in sports and extracurricular activities may be implemented per the co-curricular handbook.

**Third Offense**
1. A referral will be submitted through Infinite Campus.
2. The teacher will explain the infraction to the student and the parents of the student(s) involved.
3. An administrative conference will be held with parents, administration, and the student to explain the consequence, as detailed in #4.
4. An F will be issued in the course in which the third incident occurred; therefore, no credit will be earned in that course.
5. Additional consequences for students involved in sports and extracurricular activities may be implemented per the co-curricular handbook.

**Accidents and Insurance**

The school does not cover any student for accidents which occur while in school, going to and from school, or in any school activity (Board Policy 434). Every family with high school students is urged to have insurance coverage for accidents. A student accident program is available, if interested contact Mr. Gosz, Athletic/Activities and Director/Dean of Students. Telephone (262) 246-6471, x1125. (See Appendix: Board Policy 451).

**Advisement**

We wish to build a sense of community, promote student responsibility within our school and provide an opportunity for students to receive intervention support for classes; one means of doing this is by providing an Advisement period. The purpose of Advisement is to conduct school business and allow students to meet with teachers and receive support on assignments and tests. Advisement will also be used to offer grade specific curriculum to students. The Advisement period will meet between the first and second block each day. In addition, students may go to the Instructional Media Center (IMC), computer labs, or attend scheduled meetings on specific days, with appropriate passes and permissions.

A student’s opportunity for learning extends beyond the time spent in class. It is essential that students spend quality time completing assignments, pursuing research, reading and studying material related to classroom experience. If a student wishes to see a teacher to be tutored and make-up deficiencies, he/she must obtain a yellow pass from that teacher. Advisement teachers may not write passes for students.

*Travel will only be allowed via a yellow pass from the receiving teacher.*

*ALL travel must be completed by 9:00 a.m.*
Announcements

Announcements will be read over the P.A. at the beginning of Advisement and will be posted online. If students wish to submit an announcement, it must be initialed by a teacher or administrator. Announcements are for student information and benefit; listen carefully.

Carbonated Beverages

Carbonated beverages may be purchased after school only. Vending machines with carbonated beverages will be turned on after the bell to end the school day and will be available until the close of the building.

Class Standing

The number of credits required for graduation are 28. Students who are credit deficient will be notified of his/her class standing. Class standings are listed below. Students must have the following credits earned prior to the beginning of the school year to advance with his/her class:

- Grade 10 = 3 credits
- Grade 11 = 10 credits
- Grade 12 = 17 credits
- Graduate = 28 credits

Closed Campus

Hamilton High School is a closed campus. The desire to have students present for classes, the length of the lunch period, the lack of proximity to restaurants, and because the majority of students use the bus for transportation, are some reasons for maintaining a closed campus.

Students are expected to remain in the building from 7:20 a.m. until afternoon dismissal. Once students report to school, they should not leave the building without a leave school permit from the High School Office. If a student must leave school before regular dismissal, he/she should:

- Bring a written statement from a parent/guardian to the High School Office (before school) stating the reason for leaving early.
- Secure from the High School Office, a leave school permit authorizing early release from class.
- Present the leave school permit to his/her teacher when leaving.

It is important that hallways are quiet and there is no interference with classroom instruction. In addition, we need to make certain that the parking lot is safe and secure for everyone’s benefit. For all of these reasons, local loitering ordinances are enforced. Please see Loitering, page 42, for additional information.

Students are not to remain after school unless he/she has a valid reason, such as the use of the IMC, computer labs, detention, co-curricular activities, or working with a teacher. All after-school activities require the presence of a supervising staff member.

The cafeteria is the designated area for students in the building after the school day who are waiting for rides or busses.
Confidentiality of Student Records

All student records the Hamilton School District maintains must remain confidential between the school and the students and their families as required by both law and Board policy (Board Policy 347).

Directory Data

The Federal 'Every Student Succeeds Act' of 2015 requires that school districts receiving federal funds provide institutions of higher education or military recruiters, upon request, access to secondary school student names, addresses and telephone numbers. The law allows parents and students to request in writing that the student’s name, address, and telephone number not be released.

Emergency Procedures

Students will participate in tornado, fire, and safety drills throughout the year. In addition, students are to read the emergency procedure posted in each classroom.

Exams

Exams will be administered on the last two days of the semester, neither day to be an Advisement day. Grades through Infinite Campus will be turned off the week of semester exams.

Face coverings will be required for students, staff, visitors and vendors in the traditional in-person learning model per District protocol. This rule will be enforced while in school and at school-sponsored events and activities. Students who do not comply will be reminded of the protocols approved by the school board, and progressive discipline will be followed up to and including a required change to virtual learning.

Grades continued

Incomplete Grades
If a student receives an incomplete “I” grade at the end of any grading period, he/she will have two weeks to make up the work. It is his/her responsibility to contact the appropriate teachers to make the necessary arrangements. If work is not made up, the incomplete grade may result in an “F” for the semester. If an extension is needed due to medical reasons, it is the student’s responsibility to make prior arrangements with each teacher and the Student Services Office.

Health Room

A trained health paraprofessional is available throughout each school day to help students in case of accident or illness. If a student becomes ill, he/she should get a pass from his/her teacher in order to report to the Health Room. If illness occurs during a passing period the student should get a pass from his/her next block teacher. If he/she needs to go home, the health paraprofessional will contact the parent/guardian(s) or the person identified for emergencies. The Health Room paraprofessional and parent/guardian(s) will make arrangements for the student to go home.

Honor Roll

The honor roll is published after each semester. Honor students shall be grouped in these categories:

Library Policies

Library materials are checked out for 3 weeks. Students may renew them online or stop by the library to have them renewed. At the end of each semester, students will be fined for the replacement cost of materials that are overdue. If a lost or overdue is returned that school year, the fine will be removed from the student account. If the item is found at a later date, materials that have been paid for will not be refunded.

Lost and Found

Please turn in to the High School Office any items that appear to be lost. If something is lost or has been misplaced, check in the High School Office to see if it has been turned in. Any unclaimed items will be placed on a table outside the High School Office during parent/teacher conferences. Items not claimed by the completion of the final exams will be donated to those in need.
Section 2 - Policies and Procedures

Medication

If a student requires medication, it should be taken at home rather than at school, whenever possible. Any parent/guardian requesting school personnel to administer any medication(s) must complete and submit the “Medical Permission Form.” (Found on our website under the District tab, then scroll down to the bottom where it says, District forms and Annual notices). Medication(s) are to be in a clearly labeled pharmacy container indicating the name of the student, the name of the medication, the dosage, the time to be given, the name of the physician, and any other pertinent information. All medication in the school is to be locked in storage in the health room. It is the responsibility of the student’s parent/guardian to deliver medication as necessary and appropriate to the health room personnel. All unused medications must be picked up by the parent/guardian within one week of the termination date of administration or on the last day of school, as applicable, unless other arrangements have been made with the school. If a student wishes to carry his/her asthma inhaler during school, he/she will need to become “QUALIFIED”. Forms are available in the Health Room for this purpose.

Procedures for Responding to Injury

Emergency need procedures for off-campus field trips, sport activities and events. (Board Policy 453.1, 453.1-Rule (1), 453.1-Rule (2). School personnel authorized to administer medications shall not be required to administer any medication (Board Policy 453.4-Rule, 453.4 Exhibit (1), 453.4 Exhibit (2)) to a student by any means other than ingestion (Board Policy 453.4).

Parking Permits

Students who drive to school and plan on parking their vehicles on school property must purchase a parking permit. Permits may be purchased for $100.00 per semester or $200.00 for the year. Your parking permit is a privilege and may be revoked due to significant behavior issues, excessive tardies, failure to serve tardy or behavior consequences, sharing parking permits, and/or unsafe driving. In addition, failure to comply with parking permit rules will result in the revocation of parking permits.

Eligible students must:

● Have a valid driver’s license.
● Provide the original registration for each vehicle listed (vehicles must be family owned).
● Complete the application form in full.
● Provide a check or cash for the appropriate amount when applying.
● Provide proof of insurance (in its original form).
● Pay any outstanding school fees and/or fines in full before a parking permit application will be considered for processing.

Parking permits will be issued in the following manner:

● Students must turn in the completed application and fees during registration. Parking spots will be randomly assigned at Pictures, Locks, and Parking Day.
● Parking permits that remain after school registration will be sold on a first-come-first-served basis.
● Application materials must be turned in to the High School Office and approved prior to parking at Hamilton High School.
● Students who are involved in school sponsored work programs must complete the application process. Failure to do so may limit their ability to participate in these programs.
● Once all permits are sold, a waiting list will be established based on the same priorities listed above.
● In case of an emergency, students may be issued a temporary permit (two-consecutive days or one day at a time, but not exceeding two days within one semester). Proof of driver’s license, registration, insurance for the vehicle the student will be parking, and a note from the parent/guardian is required.
● Parking permits may be rescinded for significant behavior issues, excessive tardies, failure to serve tardy or behavior consequences, sharing parking permits, and/or unsafe driving.

Section 2 - Policies and Procedures

Parking Permits continued

Revocation:

- Failure to comply with parking permit rules will result in the revocation of parking permits.
  - 1st offense: 10 day parking suspension
  - 2nd offense: 15 day parking suspension
  - 3rd offense: semester parking suspension
  - 4th offense: parking suspension for the balance of the school year
- Parking illegally may result in parking tickets and/or having the vehicle towed at the owner’s expense.
- Only students with an assigned parking permit will be able to park on exam days.
- If a parking permit is rescinded, fees will not be refunded. If a permit is lost, a replacement may be purchased for $5.00. (See appendix: Board Policy 455.3)

Passing Time

Student passing time between classes is 7 minutes in length; a warning will sound after 5 minutes.

Released Time for Religious Instruction

We respect every student’s right to practice his/her faith. According to policy, the School Board shall permit pupils with written permission of a parent/guardian to be absent from school, at least 60 minutes but not more than 180 minutes per week, to obtain religious instruction outside the school, during the required school day. The supervisor of such religious instruction shall report monthly to the principal of Hamilton High School the names of the pupils who attended such weekly religious instruction. The School Board may deny released time to pupils who do not regularly attend such religious instruction after grant of release time to do so. The time period during which the pupil may be absent from school for religious instruction shall be determined by the School Board.

Any transportation to religious instruction or from religious instruction to the public school shall be the responsibility of the parent/guardian(s) or the organization sponsoring the religious instruction. The school district shall be released from all liability for a pupil who is absent from school in accordance with this policy (Board Policy 433.1).

School Meal Account Charges and Collections Policy and Procedures

Students choosing to purchase school meals or a la carte items during the lunch period may make payment in the form of cash or check at the time of purchase or by parents/guardians prepaying for school meals and a la carte times through a school meal account. As a courtesy, when a student’s school meal account has a low fund balance, the District’s computer messaging system reminds parents/guardians to put money into their student’s school meal account. Messages will be sent via email, phone call or text message, as indicated by the parent/guardian when registering the student in the online student information system. For further details, please refer to Hamilton School Board Policy #763, School Meal Account Charges and Collections Policy and Procedures included in the appendix (See Appendix: Board Policy 763).

Student Expectations

Students are expected to attend school, arrive at class prepared to work, complete assigned work and abide by the rules and directives. (See Appendix: Board Policy 310 – Rule 2).
Section 2 - Policies and Procedures

Valuables

Students are cautioned not to bring large amounts of money, radios, cameras, and other electronic equipment to school. Students, not the school, are responsible for their personal property. Be sure lockers are securely locked with a school-purchased lock. In case of theft, students should report to the High School Office to complete a theft report.

Visitors

Students must prearrange visits by guest students. The student’s parent/guardian, along with their guest’s parent/guardian, must provide written permission a minimum of one week in advance of the visit. No visitors are permitted one week prior to exams, holidays or breaks. Guests must not have school on the day of their planned visit. Student/guest visitor forms are available in the Student Services Office.

Parents are always welcome and encouraged to visit the school. To ensure availability, parents who wish to meet with teachers or administrators must make arrangements with those individuals prior to arriving at school. All visitors shall stop at the window in the front entrance to obtain a visitors pass to wear while in the building. A driver’s license is needed to check in.

Withdrawal From School

If a student is withdrawing from school, he/she must begin the process with his/her school counselor. It is essential that students complete and turn in a withdrawal form in order to accommodate transfer of records to another school.

If a school transfer occurs within the first semester, 50% of the registration fees will be refunded. All other fees are non-refundable. Seniors who graduate after the first semester are not eligible for a refund. If a student is transferring to another school, transcript requests will be made by the school to which he/she will be transferring.

Work Permits

Effective June 23, 2017, Governor Scott Walker signed a new law removing the requirement that 16 and 17 year old minors obtain work permits. This law also changes the terminology and refers to the “employment of minors” instead of child labor.

- 16- and 17-year-old minors do NOT have to obtain a work permit prior to beginning work.
- The law makes no changes to the requirements for minors younger than 16. Minors younger than 16 will need to obtain a work permit prior to beginning work.
- This law makes no changes to any other child labor provisions. There are no changes to the maximum hours or times of days that minors younger than 16 may work, or the types of work that minors may perform.
- The cost of a work permit is $10.00. If the minor pays for the work permit, the employer must reimburse the minor no later than the first paycheck.

The complete text of the law can be viewed here: http://docs.legis.wisconsin.gov/2017/related/acts/11

- Students must commit to the decorating process before and after Prom or be subject to removal from Court.
Section 3 - Opportunities and Support

Co-curricular Activities

School provides many opportunities to learn in many different ways. One of the most enjoyable ways to become involved in school is to participate in the co-curricular activities offered. Not only do students get to know classmates and teachers on a more personal level, but also learn about individual strengths and how to meet challenges.

A new club may be organized if a sufficient number of students desire it and a faculty sponsor is found. For a detailed description of the clubs and activities offered, please refer to the Co-Curricular Handbook.

For a complete listing and description of the most recent sports, clubs, and co-curricular activities offered, please refer to the Hamilton Athletics website at https://hamiltonchargers.sportngin.com/. Note that some clubs may be free to join, but participation events may have associated fees.

Internet Privilege

Hamilton School District provides students’ access to the internet as a means to further the educational goals and objectives of the district. Any student using the internet will be instructed on its proper and ethical use. Internet access is a privilege, not a right. The internet may be used for educational and research purposes only, consistent with the educational goals and objectives of the district. Misuse of the internet may result in loss of internet use privileges and/or disciplinary action.

(See Appendix: Board Policy 365.1).

Junior-Senior Commons Privilege

To obtain this pass, a student must have no behavior referrals of significance, must have a cumulative grade point average of 2.0, have no failing grades, and have no more than three unexcused period absences. Grades, attendance, and behavior records will be reviewed at the end of each term. Students who have any D’s or F’s, attendance concerns, or behavior referrals of significance will lose common privileges. Students who have exceeded ten days of absences will also lose common privileges. Food and beverages purchased in the cafeteria area must be consumed in the cafeteria.

National Honor Society

Membership in the National Honor Society is an honor bestowed upon a very select group of students by the Hamilton Faculty Council based on criteria and guidelines set forth by the national organization. The Hamilton Chapter of the National Honor Society is chartered by the National Council and the National Association of Secondary School Principals in accordance with the National Honor Society National Constitution.

The selection process for the Hamilton chapter of the National Honor Society is governed by the national NHS Council expectations and requirements. Selection is based on four criteria: scholarship, leadership, service and character. Juniors and seniors who have attained a cumulative 3.50 grade point average are invited to submit materials supporting their candidacy, providing evidence of their outstanding service, leadership and character.

Once selected, students are required to participate in the annual Induction Ceremony, the Academic Awards Ceremony, other events, and to perform further service and social activities throughout the school, and greater community. Members of the Hamilton Chapter of the National Honor Society are bound by the Hamilton NHS Code of Conduct and Membership Agreement.
Section 3 - Opportunities and Support

Response to Interventions (RTI)

Students who do not demonstrate proficiency in math and/or reading through state, district, and/or building assessments may be required to participate in academic interventions to meet district benchmarks. (Board Policy 345.4)

Student Assistance Program

Success in school depends on students’ overall health and well-being. We encourage students to access the support they need in order to positively address problems and/or concerns that affect them or those close to them. There are many people, such as teachers, administrators, school counselors, school social workers, and the AODA Program Specialist to whom students can turn for assistance. School counselors, social workers, and the AODA Program Specialist have specialized training in counseling for a wide variety of concerns. Some teachers have also received training, particularly regarding drug and alcohol issues. If a student feels that the person they talk to is not able to help them with their concern, their mentor will assist them in finding someone who can. We encourage all students to talk with whomever they feel comfortable. SAP (Student Assistance Program) services range from individual counseling, small group participation, and/or referral to a community agency for assistance. (Board Policy 457).

Student Council

Student Council is a student leadership organization within Hamilton High School. The officers plan and organize many events that may include: Homecoming week, food drives, and other service activities. Involvement in this organization benefits the school as a whole in addition to the students who are actively involved.

Student Council membership is open to all students. Council and class officers are elected by peers to serve as representatives for the student body, as a whole, on an annual basis. Student Council meets during advisement periods as well as at other scheduled times. The obligations of this organization require students to give time both inside and outside of the school day. It is essential that members show responsibility in following through on academics as well as working to represent the student body and making Hamilton High School great.

Student Services

Guidance and counseling services are available to each student. If a student wishes to seek guidance he/she should make an appointment with the Student Services Office administrative assistant or his/her counselor. Individual and small group counseling is available to every student for academic, personal/social, and career needs. In addition, the Student Services Department assists classroom teachers by acting as a resource for guidance-related issues. The services of a school social worker and school psychologist are also available to everyone. Please contact the Student Services Office for these services.

Two programs initiated through Student Services are Youth Options and early graduation. Under Youth Options, students may be eligible to take course work at a technical college or university. Deadlines are March 1 for the fall term and October 1 for the spring term. The deadline to turn in the early graduation application is January 15 of the junior year. Students can consult with his/her school counselor if interested.
Section 3 - Opportunities and Support

Tests for Educational and Career Planning

To get the most from a high school experience, students need to prepare themselves academically. They should pursue every opportunity to take tests and assessments to help them determine their career interests, skills and critical thinking abilities. In addition, the state of Wisconsin mandates that all students participate in Academic and Career Planning throughout grades 6-12. Hamilton students will use an online tool that will expose them to potential career paths, assess their skills related to those careers, develop a plan of high school courses, and research college and career options. Developing an Academic and Career Plan is a useful step for high school students as they think about and develop their future. The self-awareness gained from these opportunities will positively impact their future. The following lists a number of tests that are offered or required by the state and/or district.

ACT ASSESSMENT
The ACT assesses the skills that enable a student to be successful at the college level. Students who intend to apply to a college or university in Wisconsin must take the ACT or SAT-I. Typically the student would take the assessment in April or June of their junior year, and if necessary, retake it in October or December of their senior year, depending on deadlines. To help develop college readiness skills, students should complete the following courses prior to taking the ACT at the end of junior year.

- Communication Arts 9
- Algebra
- 20th Century
- Biology

- Communication Arts 10
- Geometry
- World History/Modern Affairs
- Chemistry

- Communication Arts 11
- Adv. Algebra
- Civics/Economics
- Physics

A practice ACT test will be administered to all juniors in the fall, and an official ACT test will be administered to all juniors in late February/early March.

ASPIRE
The ACT assesses student college and career readiness in English, math, reading, science, and writing. ACT Aspire will incorporate multiple question types including constructed response, selected response, and technology-enhanced items to better assess student knowledge and provide more meaningful insights. The ASPIRE test will be administered to all freshmen and sophomores in late April/early May.

FASTBRIDGE
The Fastbridge assessment is a tool used as a universal screener with progress monitoring capabilities. For a small population of students, Fastbridge will be used to assess growth and potential needs for math and/or reading interventions and supports. Most students interacting with Fastbridge will be in 9th and 10th grade.

FORWARD
Sophomores will be tested in social studies using the Forward test. This online assessment will be administered in the spring.

MAP TESTING
Measures of Academic Progress, or MAP, is a computer-based assessment administered to all freshmen and sophomores twice a year in math and reading in order to gauge each student's academic level in these areas. MAP is one assessment used to determine if students are in need of math or reading interventions and supports.

PSAT/NMSQT
The PSAT is a shortened version of the SAT-I, and when taken during the junior year, is the only method of entry into the highly competitive National Merit Scholarship competition. This test will also give students information about their progress in developing skills for college success. A sophomore can take this test as practice, but it is the junior test result that is used for National Merit consideration. This test is given in October; listen for announcements about signing up.

SAT-I
The Scholastic Aptitude Test, like the ACT, is used as a "college entrance exam." It measures the knowledge and abilities important for success in college.

**EARLY COLLEGE CREDIT PROGRAM/START COLLEGE NOW**

The Early College Credit Program replaces the Youth Options program. This allows students to take postsecondary courses at a **public or private university**. Students must meet the admission criteria, complete an application through the Student Services Office, and obtain board approval prior to participating in this program. Students may be eligible to participate and receive credit for successful completion of courses if a comparable course is not offered in the school district.

Similar to the Early College Credit Program, Start College Now allows students to take postsecondary courses at Wisconsin technical schools. Again, students must meet the admission criteria, complete an application through the Student Services Office, and obtain board approval prior to participating in this program. Students may be eligible to participate and receive credit for successful completion of courses if a comparable course is not offered in the school district.

Section IV - Rights and Responsibilities

Rights and Responsibilities

Each student is an important member of our school community. Our community is made up of students, teachers, administrators, support staff and parents. We are working together to create a meaningful learning environment. Student rights and responsibilities in our school community are determined by the kinds of decisions students make, as well as age, maturity and to an extent, the standards of the community.

We want Hamilton High School to be a place where respect is displayed for both people and property; a place where everyone feels physically and emotionally safe. In order to achieve this goal, everyone must work together to make it happen. Every individual action helps to define the environment as a whole. Let us celebrate one another and our school publicly while working to improve it privately.

Please be aware that student rights are not limited. When we make decisions regarding student rights and responsibilities, we must balance the rights of the individual with those of our school community.

Alcohol and Other Drugs

We are concerned about every student’s physical and emotional well-being. We encourage all students to accept responsibility for the decisions they make in regard to alcohol and other drug use. It is against school policy and state law to possess, distribute/consume alcohol, other drugs, prescription medication or other medication, on or off school property. Students suspected of AOD use while on or off school property or at school events may be subject to the use of a breathalyzer. Any violations of these rules can result in suspension, expulsion, or referral to the appropriate law enforcement authorities. In addition, such violations can result in loss of athletic or extracurricular activity privileges. (See Appendix: Board Policy 443.4 and 443.4-Rule (1), 443.4-Rule (2)).

Anti Social/Criminal Student Activities

The district recognizes that antisocial or criminal acts by individual students or groups of students interfere with the mission of the school district. The district further recognizes that gangs, gang activities, and gang affiliations cause a disruption or interfere with school and school activities. Student antisocial behavior or criminal activities will not be tolerated and will be reported to, and monitored by, the school administration. Violations of the policy will result in the appropriate disciplinary action. (Board Policy 443.8).

Attendance

Each student is an important part of our school community. Regular school attendance increases his/her chances for academic success and promotes the development of self-discipline, responsibility and punctuality. (Board Policy 431). Cooperation between home and school is essential if our students are to develop sound attendance habits and attitudes that will carry over to adult life. Wisconsin Statute 118.15(3)(c) states that parents may excuse their child from school for no more than ten (10) days in a school year. The school may require a medical excuse for absences exceeding this ten day limit. (See Appendix: Board Policy 431-Rule).
Section IV - Rights and Responsibilities

Attendance continued

Excused Absences
If a student must be absent, their parent/guardian must email hamiltonattendance@hamilton.k12.wi.us, or call 262-246-1800 (available 24 hours a day) to report the reason for their student's absence. A student has two school days (48 hours) to clear an absence. Excused absences totaling ten days or more may require a medical excuse.

When absent from school, parent(s)/guardian(s) assume full responsibility for their student's activities. It is the responsibility of the administration to decide whether the absence is acceptable (excused) or not acceptable (unexcused/truant). The principal/designee will only excuse students from attendance in school for the following reasons:

- **Special Events** of significant and important educational value, as approved by the principal/designee.
- **Exceptional Circumstances** approved by the principal/designee, such as a death in the family, hospitalization, acute family or personal crisis, religious observances, and legal appointments which cannot be scheduled outside of the school day. (Board Policy 433.1)
- **Family Vacations** should be taken when school is not in session, whenever possible. A family vacation is defined as a trip the family takes overnight and out of town. Where circumstances require that a student miss school for a family vacation, the parent/guardian must notify the school prior to the absence, complete a Vacation Request Form, and arrange for appropriate make-up work. Parent/guardian(s) should understand that such absences could affect the student's academic progress.
- **Student Illness** Medical verification may be required in cases of absences exceeding ten days.
- **Medical Appointments** are to be made when school is not in session, whenever possible. Emergencies and doctor's hours may dictate that students must be excused. Students who have appointments during the day are expected to be at school before and/or after their appointments, if possible.
- **College Visits** Students who visit colleges should fill out the "College Campus Visitation-Career Exploration Permission" form available on the rack outside of the High School Office. This form is signed by the parent, student, teachers, and the campus/employer. More detailed directions are on the form.

Leave School Permits
Leave school permits will be issued in the High School Office before school, during passing periods or during advisement (Board Policy 434). Doctor, dentist, or court verification may be required for excused leave school permits. If students leave school without a permit, he/she will be considered truant. Excused absences totaling ten days or more may require a medical excuse.

Many learning experiences cannot be replicated outside the classroom. Some of these experiences include labs, demonstrations, small group activities, video supplements, oral directions/explanations, and the practice of appropriate academic and social skills. Hamilton High School believes that these interactive classroom experiences are more vital than passive learning experiences outside the classroom.

Students having an excused absence, including out-of-school suspension, shall arrange with the teacher to make up work and tests missed. Requests for make-up work require a minimum 24 hour notice. This generally is not done for short-term illness.

Unexcused Absences and Tardies
Beginning with the sixth tardy, students will receive consequences on a progressive basis which may include:

- Supervised Lunch Detentions
- After School Detentions
- Saturday Detentions
- Parent Conference
- No Pass List
- Revocation of Parking Permit
- Attendance Contract
- Citations
Section IV - Rights and Responsibilities

**Attendance continued**

School attendance takes precedence over non-school activities. Wisconsin State Statutes (118.15 and 118.16) require school attendance of a child age six to eighteen unless he/she (1) is excused temporarily for physical or mental reasons, (2) has graduated, or (3) has been authorized to attend an alternative educational program. The law further requires that any person, having under his/her control a child between the ages of six and eighteen, shall require the child to attend school regularly during the full period and hours that school is in session until the end of the quarter or semester of the school year, in which the child becomes 18 years of age. A Habitual Truant is a student who is absent from school without an acceptable excuse (s.118.16(4) and s.118.15, Wis. Stats.) for part or all of five or more days on which school is held during a semester (s.118.16, Wis. Stats).

**Bookbags/Backpacks/Large Purses**

We care about student well-being and the safety of our school. In an effort to prevent possible threats to well-being, we believe it is important to take steps to reduce the likelihood of individuals bringing inappropriate items to school. In addition, book bags/backpacks/large purses can constitute a disruption in the classroom by its location. Therefore, we require that book bags/backpacks/large purses be kept in student lockers during the school day. Students should plan to bring sport bags/clothes to the physical education locker room before the beginning of the school day. If these rules are not abided by, the student will face consequences based on progressive discipline procedures.

**Bullying**

It is the policy of the District that its students, employees or volunteers will not be allowed to engage in any form of bullying or intimidation toward other students, employees or volunteers.

**Bus Behavior**

Bus transportation is a service to our students. We are liable for student safety and well-being from the time they get on the bus to the time they depart the bus. We cannot take on the additional liability and responsibility for individuals who are not students of the Hamilton School District. Only students of the district and persons authorized in writing, by an administrator, may ride the bus to and/or from school or a school-sponsored activity. Any student who rides a school bus to a school-sponsored activity must return to school by the same bus.

**Bus Passes**

If a student will be riding a different bus home after school, a note will be required from both students' parent(s)/guardian(s). This means that a note must be provided from the parent/guardian of the student that is riding the bus as a visitor, and the student's parent/guardian who typically rides the route on a daily basis. Notes from parent/guardian(s) must be turned in to the High School Office in the morning and a pass will be issued at that time. Both notes must be presented in order to receive a bus pass and to ride. There will be no exceptions.
**Bus Rider Rules**

Students are expected to conduct themselves in a responsible manner at all times, particularly when riding the bus. If students do not behave appropriately, their parents/guardians will be contacted as the first step. If such misconduct continues, their privilege to ride the bus may be suspended by school authorities. The Hamilton School District uses video cameras on school buses to reduce discipline problems and vandalism on the bus. The cameras also allow the bus driver to focus on driving. ([Board Policy 443.2](#))

**Prior to loading (at designated bus stops) students should:**
- Be at designated school bus stops 5 minutes before scheduled pickup time; buses will not wait for riders beyond the scheduled pick-up time.
- Respect the property and rights of all property owners while waiting for the bus.
- Not cross the road to their designated stop until the bus has stopped, flashing red lights are on, and the bus driver gives the signal to cross.
- Stay off the road while waiting for the bus and conduct themselves in a safe manner while waiting.
- Walk on the side of the road facing traffic to get to the bus stop.
- Wait until the bus comes to a complete stop before attempting to board the bus. Riders should line up in an orderly, single file manner and should not rush to get on the bus.
- Use the handrail when boarding and leaving the bus.
- Be courteous and should not take advantage of younger students in order to get a seat.

**While on the bus, students should:**
- Listen to the bus driver (or chaperone) who is responsible for supervising.
- Keep head and hands inside the bus.
- Keep books, packages, coats, and all other objects out of the aisles. No animals of any type are allowed on the bus.
- Assist in keeping the bus safe and clean.
- Refrain from loud talking.
- Be aware that the use of tobacco products, vaporizers (vapes), alcohol and other drugs are forbidden at all times on the school bus.
- Not tamper with the bus or any of its equipment. Damage to the bus and/or the property of others shall be paid for by the individual(s) responsible for the damage.
- Remain in the seats while the bus is in motion.
- Be courteous to fellow students and the bus driver.
- Do not leave books, lunches or other articles on the bus.
- Prepare to depart in anticipation of their designated stop. Riders are only allowed to be dropped off by designated stop, unless a written parent/guardian request has been approved by school officials.

**After leaving the bus:**
- Do not cross the road until receiving a hand signal from the bus driver. Crossing the road is only allowed at the front of the bus, not the rear of the bus;
- Help look after the safety and comfort of small children.

**Denial of riding privileges:**
- The privilege of riding the school bus may be denied or withdrawn only by designated school authorities.
- Students refusing to accept or conform to necessary rules and regulations relating to bus safety will not be allowed to ride the bus.
- Drivers (or chaperones) shall report discipline incidents immediately to the appropriate building principal. Bus drivers may be required to submit a narrative supporting the report of misconduct. If a meeting is scheduled with a parent/guardian, the bus driver may be required to attend.
- The bus discipline and suspension process shall proceed according to the following format:
  - The building principal shall determine the severity of the report of misconduct and take steps of progressive discipline to remediate the situation. Recommendations of the bus driver (chaperone) shall be considered.
  - School bus riding privileges may be suspended in accordance with state law. The severity of the offense will determine the length of the suspension. The length of the suspension can vary anywhere from one day to the remainder of the school year.
  - Parents/guardian(s) may appeal the action taken upon request through the established appeal procedure.
Section IV - Rights and Responsibilities

Cafeteria

How students conduct themselves in the cafeteria is a strong indication of who they are and how they treat others. Lunchtime is a great opportunity to socialize. The cafeteria is open to students during their lunch hour. Food and drinks are to be consumed in the cafeteria area only, and not on any carpeted areas. Students are not to order food or beverages to be delivered during the school day. Students are asked to please be considerate and clean up their own area. Our cooks and custodians work hard to provide a pleasant lunch environment. It is up to the students to assist them by doing their part.

Here are some simple procedures to follow:
- Return trays or any other disposable containers to the area provided for this purpose.
- Dispose of empty soda and juice cans in the appropriate recycling containers.
- Food and drink items, napkins, etc. are to be disposed of properly when leaving the lunch table. The table and floor area should be free of debris. Students will be disciplined for throwing such items. Food fights will not be tolerated and will result in suspension and/or other disciplinary consequences.
- Remain in the cafeteria area, with supervision, during the lunch periods.

Failure to comply with expectations will result in consequences such as: lunchroom clean-up, detention, and/or loss of lunchroom privileges, suspension and/or other disciplinary actions.

Class Adds and Drops

Students make course selections in the spring preceding the next school year. Course selections should be made with great care, as the ability to make changes is limited. Course offerings and staffing are determined based on student choices made at this time.

Schedule Changes: After schedules are released, schedule changes will require administrative approval and will take place for the following reasons only:
- A course requested is canceled due to low enrollments
- Failure of a required or prerequisite course
- Adding a course needed to graduate on time
- To balance section numbers

Schedule changes will NOT be permitted after the first week of each semester unless a student has administrative approval. Courses dropped after the first week of the semester will result in a failing grade on the transcript.

Corporal Punishment

Students shall not be subjected to corporal punishment. According to Wisconsin State Statute 118.31, the use of physical force is permitted for the following reasons: to quell a disturbance or prevent an act that threatens physical injury to any person; to obtain possession of a weapon or other dangerous object within a student’s control; for the purpose of self-defense or the defense of others, or for the protection of property in accordance with state statutes; to remove a disruptive student from school premises, a motor vehicle or school-sponsored activity; to prevent a student from inflicting harm on him/herself; and, to protect the safety of others.

Any school official, employee, or agent of the school board must also be allowed to use incidental, minor or reasonable physical contact designed to maintain order and control.
Section IV - Rights and Responsibilities

**Corridor Conduct**

Approximately 1,500 people share this building on a daily basis. It is therefore essential that each person show respect for one another as he/she moves to assigned classes. All students are expected to be in a study or work area, and out of the hallways, before the end of the 7-minute passing time. This is the time period in which students are expected to take care of restroom, locker, and other personal business needs. Loitering in the halls and/or restrooms is not permitted for reasons of safety and security, as well as out of respect for classes being conducted. Be aware that there is no running, pushing, scuffling, whistling, shouting, displays of affection, obscene language, or other forms of disorderliness in the halls. Students should make wise choices; they will be held accountable for their hallway behavior ([Board Policy 443.7](#) and [443.8](#)).

**Derogatory Statements**

We work towards creating an environment in which individuals respect one another. Statements made which degrade or demean others on the basis of appearance, body type, ethnicity, sex, sexual preference, gender identity or handicapped condition are counterproductive to establishing an environment of respect between individuals and groups. Such statements are contradictory to our mission and generally disruptive to the educational process (See Appendix: Board Policy 411.2 and 411.2-Rule).

It is expected that students will use appropriate language. Hateful language that does not respect individual characteristics, such as race, gender, sexual orientation, cultural background, religious belief, body type, etc. is inappropriate and will not be tolerated.

If any student is a victim of this type of behavior or is being harassed over time, they are encouraged to alert a trusted adult and to report the infraction. Offensive language, disrespect, or the use of profanity are unacceptable in most educational and social contexts, including the workplace, and will not be permitted in our schools. Disciplinary referrals for language offenses may be made on a progressive scale. Progressive discipline includes consequences, which range from reprimand, to out-of-school suspension and possible police referral.

**Disruption**

No student shall:

- occupy any portion of the school premises with intent to deprive others of its use, or where the effect thereof is to deprive others of its use.
- block the entrance or exit of any school building, property, or corridor room so as to deprive others of access.
- set fire to or otherwise damage any school building or property.
- discharge, display, or otherwise threateningly use any firearms, explosives, or other weapons on school premises.
- prevent or attempt to prevent the convening or continued function of any school class, activity or lawful meeting or assembly on the school campus.
- prevent students from attending a class or activity.
- except under the direct instruction of the principal, block normal pedestrian or vehicle traffic on a school campus or adjacent grounds.
- continuously and intentionally make noise or act in any other manner so as to interfere seriously with a teacher’s ability to conduct class.
- engage in public displays of affection.
- engage in behavior, which is disruptive, insubordinate, destructive or dangerous to the welfare of others.
- urge, encourage, or counsel other students to violate any other preceding portions of this rule. Progressive discipline at an appropriate level will apply and may include suspension for more than five days and less than fifteen days with related recommendations, to the school board for expulsion. A pre-expulsion conference may be held during the suspension period, previous to a recommendation for expulsion.
- Possess or use any type of nuisance items such as laser pointer, squirt gun, boom boxes, etc. Possession of such nuisance items will result in their confiscation.
Section IV - Rights and Responsibilities

Disruption continued

It is expected that students will act in a respectful manner toward others. It is expected that students will not cause disruptions in the hallways. This would include, but is not limited to, congregating in a manner that disrupts traffic flow such as: running, horseplay, jumping, grabbing, pushing, and creating a disruption for a classroom. If a student is disrespectful or causes a disruption, a referral will be made to administration and disciplinary action will be taken. A referral to the Waukesha County Sheriff may be made for disorderly conduct. It is expected that students follow staff directions. For example, when a staff member asks a student to show his/her student ID, he/she is expected to give the ID to the staff. If the student chooses not to give the ID to the staff, the consequences will increase. If a student chooses not to follow directions, a referral will be made to administration and disciplinary action will be taken.

Dress and Appearance

We work to provide a physically and emotionally safe environment for all members of the Hamilton High School community. Students have the right to choose their own style of dress and personal appearance, as long as it does not interfere with the educational process, or endanger student health and well-being.

Guidelines Aligned to Hamilton School District Board Policy 443.1

- It is policy at Hamilton High School that students will attend school clothed and groomed in an appropriate manner.
- Any article of clothing, manner of hairstyle, or application of makeup, which is determined by the administration to interfere or disrupt the education process is prohibited. This includes, but is not limited to, expressions that are obscene, profane or pornographic, representations of illegal behavior, expressions or representations that demean race, religion, gender, sexual orientation, disability, national origin, creed or ethnicity; and expressions or representations that advocate pain, death, suicide or drug use.
- Also, midriff tops and tank tops with oversized armholes or spaghetti straps, short shorts, skirts and skorts, or any clothing that is revealing or disruptive to the learning environment are not appropriate for school wear.
- Chains attached to belts or wallets must be tucked in pockets and are not acceptable if they are below the level of shirt.
- Pants must be pulled over under garments.
- Hats and other headgear (other than for religious and/or medical purposes), such as combs, picks, visor caps, sunglasses on top of the head, or bandanas/headbands on the forehead, are not to be worn in the school building. This excludes; ponytail holders, hair clips, and hair accessories with the purpose of keeping hair out of students’ eyes.
- Students may not wear robes, pajamas, onesies, or fleece blankets.
- The district will comply with all applicable state and federal laws in enforcing these provisions, including but not limited to the Individuals with Disabilities Education Act.
- Coats and jackets are not to be worn during the school day unless worn as part of a warm-up suit.
- Student dress at extra and co-curricular activities, dances, and other school-sponsored events shall be appropriate, not disruptive to the activity, and ensure health and safety.
- Head covers, coats and bookbags/backpacks/large purses are to be stored in assigned lockers.
- Special safety equipment or protective clothing must be worn when required for the health and safety of students.
- Progressive discipline procedures will apply in the areas of dress and appearance. (Board Policy 443.1).

(The District will implement the dress code in accordance with federal law regarding reasonable accommodation and prohibiting discrimination.)
Section IV - Rights and Responsibilities

Due Process

Suspensions: Prior to any suspension, the student will be advised of the reason for the proposed suspension. The parent/guardian of a suspended student, if the student is a minor, will be given prompt notice of the suspension and the reason for the suspension. Within 5 school days following the start of the suspension, the student or the student’s parent/guardian, if the student is a minor, may appeal the suspension to the District Administrator. The decision of the District Administrator is final.

Expulsions: Prior to any expulsion, the student will be entitled to a hearing before the School Board. The student and the student’s parent(s)/guardian(s) if the student is a minor, may be represented at the hearing by legal counsel. At least five days’ notice of the hearing will be sent to the student and the student’s parent(s)/guardian(s), if the student is a minor. The notice will include the specific grounds for expulsion and the particulars of the student’s alleged conduct.

Other discipline: The process that is due to a student before discipline is imposed will depend on the level of discipline and other factors. At a minimum, the student will be advised of the reason for the disciplinary action and will be offered an opportunity to explain his/her actions. (See Appendix: Board Policy 446.3)

Equal Educational Opportunities

No student should face discrimination of any form. If a student believes he/she has been discriminated against, we strongly encourage him/her to seek assistance. Please use the following procedure (See Appendix: Board Policy 411):

- Talk to a trusted teacher, counselor, or other staff member about any concerns.
- Report complaints to the school administrator in writing.
- The school administration will acknowledge receipt of the complaint within five days. Within fifteen days, the school administrator will investigate and make a decision regarding the complaint.
- The decision may be appealed, in writing, to the school board within fifteen school days of the decision. The Board must hear the appeal within thirty calendar days of receiving the appeal request. The Board must inform the student of their decision within fifteen calendar days following the hearing.
- The decision to the State Superintendent of Public Instruction may be appealed within thirty calendar days.
- Discrimination complaints involving special education or programs governed by federal law have different procedures. This information can be obtained from the school district Supervisor of Special Services.

“The right of the student to be admitted to school and to participate fully in curricular, extracurricular, student services, recreational or other programs or activities, shall not be abridged or impaired because of the student’s sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability…..” (See Appendix: Board Policy 411.2 Rule).

False Alarms

We cannot tolerate disruptions to the educational environment or threats to our students’ safety. Setting off a false alarm or discharging a fire extinguisher is against the law. Wisconsin Statute 941.13 provides that "whoever intentionally gives a false alarm to any public officer of employee, whether by means of a fire alarm system or otherwise, or interferes with the lawful efforts of firemen to extinguish a fire may be fined not more that $500 or imprisoned not more than one year or both." Consequences may include, but are not limited to: community service, suspension, fines, police referral and/or referral for expulsion.

Fines

Fines and/or fees that are owed to the school must be paid before students are allowed to participate in extracurricular activities. Students will be informed of the amount of fines at the time of disciplinary or administrative intervention, and will have a minimum of five school days to pay fines before losing extra-curricular participation privileges.
Section IV - Rights and Responsibilities

Gambling

Gambling in school is not permitted. Gambling related to card playing or any other type of betting enterprise is not permitted and is subject to disciplinary intervention.

Homework

Homework is an important part of student learning experiences at Hamilton High School. Learning does not start and stop with the beginning and the end of the school day. Accepting responsibility for homework is an important part of preparing for the world of work. Homework requests made by parents and received by 10:00 a.m. will be available at the end of the school day by 3:10 p.m.

Homework, which is properly designed, carefully planned, and geared to the development of individual students, meets a real need and has a definite place in the educational program. Homework should be assigned to help the student become more self-reliant, to learn to work independently, to improve the skills that have been taught, and to complete certain projects. It should also provide parent/guardian(s) with an opportunity to acquaint themselves with the school program and their own child’s educational progress (Board Policy 345.3).

Make-up Homework

Students, under normal conditions, are given 2 days to make up the work for one day’s absence upon their return to school following an approved absence. Homework requests made by parents and received by 10:00 a.m. will be available at the end of the school day by 3:10 p.m. Extensions of this time may be granted by the principal only in unusual circumstances. Failure to complete the missing work may result in a failure being recorded for the class. For scholastic eligibility, an incomplete is not to be considered a passing grade.

Immunizations

To be admitted to Hamilton School District, a student must have on file, Immunization records as required by law; or an Immunization waiver (Board Policy 453.2).

Lockers

The school district strives to provide a safe and healthy school environment for students and staff. School lockers are provided for the convenience of students and are to be used solely and exclusively for the storage of outer garments, footwear and other school items. The lockers assigned to students are the property of the Hamilton School District. Under state law and district policy, the building principal, associate principal, district administrator, school employees (specifically designated), a police liaison or law enforcement officer, working in cooperation with school officials, may search a pupil’s locker as determined necessary or appropriate without notice or consent of the pupil and without a search warrant. Any unauthorized items found in the locker may be removed, confiscated, or held for disciplinary proceedings, turned over to law enforcement officials, or returned to the parent/guardian(s) of the student.

Students must purchase a red lock from the High School Office for their hall locker. This lock is their property for the duration of high school. Use of any other lock is prohibited and will be cut from the locker. For protection, it is important for students to lock their lockers. If students do not do so, access to their locker will be denied. Students are not permitted to share lockers. Violations of these rules will result in appropriate consequences. Students MUST use their assigned locker. To minimize the presence of drugs in our school, random canine locker sweeps will be conducted throughout the year. (See Appendix: Board Policy 445.1).

Please be aware that random searches by Police Canine Unit will occur.
Section IV - Rights and Responsibilities

**Loitering**

Hamilton High School students are considered to be loitering if students are not in their properly assigned area. Loitering may result in consequences, such as Saturday School, suspension and/or police referral.

Any unauthorized persons found in the school building between the hours of 7:00 a.m. and 3:30 p.m. shall be referred to the police and prosecuted under Town of Lisbon Ordinance Section 3.07.

**Non-discrimination**

The Hamilton School District is committed to a policy of non-discrimination on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, color, disability, physical, mental, emotional or learning disability, handicap, or any other factor provided for by state and federal laws and regulations.

This policy will prevail in all matters concerning staff, students, the public, educational programs and services, and individuals with whom the Board does business.

**Parent/Guardian Rights to the Curriculum**

The Hamilton School District recognizes the right of parent/guardian(s) to inspect instructional materials and to deny their child’s participation in certain curricular activities in accordance with state and federal laws and regulations. The Board further recognizes that reasonable accommodations with regard to examinations and other academic requirements may have to be made from time to time because of a student’s sincerely held religious beliefs.

Parent/guardian(s) may make requests regarding the above to the building principal. All requests shall be judged individually, based upon state and federal guidelines. The school district’s attorney may be contacted when making decisions under this policy. The principal shall inform the parent/guardian(s) in writing of her decision in a timely manner.

If a parent/guardian is not satisfied with the building principal’s decision, he/she may appeal to the Director of Educational Services/Human Resources. Further appeals may be made to the District Administrator, the Board, and if necessary, to the State Superintendent of Public Instruction.

Accommodations made under this policy shall be provided to students without prejudice effect.
(See Appendix: Board Policy 334 and Rule 334)

**Passes**

Students are expected to arrive at their classes on time and prepared, having taken care of any other needs during the 7 minute passing period. If an emergency arises and they must leave their classroom, they are required to have a hall pass. Restroom and locker passes are not considered an emergency and generally will not be issued. It is up to the discretion of teachers whether or not to allow students in the halls during a class period. If students are stopped in the halls and asked to see the pass, it is expected that it be displayed in a respectful manner. Hall traffic is a serious disruption to the educational environment. For safety reasons, we have a responsibility to assure that only members of the school community are in the building. Use the privilege wisely and with respect.
Section IV - Rights and Responsibilities

Personal Electronic Devices

- Students are allowed to use personal electronic devices (cell phones, iPods, laptops, audio-devices, smartwatches, etc.) before and after school, during passing times, and during lunch.
- Student use of personal electronic devices must adhere to Board Policies 365.1 Exhibit 2 regarding Acceptable Use of Personal Technology Devices on School Grounds and 443.6 regarding Student Use of Cell Phones, Two Way Communication and Other Communication or Recording Devices.
- Use of cameras and image recording devices in restrooms, dressing rooms, and lockers or other private areas where privacy is an expectation is prohibited. (See Appendix: Board Policy 443.6)
- Students are not allowed to use personal electronic devices during class, unless there is permission of the teacher in accordance with the Bring Your Own Device (BYOD) policy (See Appendix: Board Policy 365.1). Students are expected to follow teacher directives regarding use and storage of electronic devices during class. Students who do not follow teacher directions or refuse to surrender electronic devices will be subject to administrative referral and progressive discipline.
- Students who use their personal electronic devices without permission or in a manner not intended will receive consequences according to the following protocol:
  - **First Offense**: Device will be surrendered to the teacher and returned to the student at the end of the block.
  - **Second Offense**: Device will be surrendered to the teacher and given to the High School Office. The student can retrieve the device from the High School Office at the end of the day.
  - **Third Offense**: Device will be surrendered to the teacher and given to the High School Office. The device will be returned to the student after the student serves a 30 minute detention.
  - **Fourth and Subsequent Offenses**: Device will be surrendered to the teacher and given to the High School Office. A parent/guardian must pick up the device. As with any persistent classroom/school disruption, progressive discipline will be applied as deemed necessary.

Printed Matter and Symbols

Bulletin Boards
Bulletin board space is provided for student use and for student organizations. This includes an area for information relating to out-of-school activities or matters of general interest to students. Students must have administrative approval in order to post this information. They must also state the name of one or more students responsible for its posting and an official posting date. All posted materials must be removed after a reasonable time to assure full access to the bulletin board.

Printed Matter
Students may distribute newspapers or other printed material of a not-for-profit nature with permission of the building administration. Keep in mind the following: 1) the time of such activity shall be limited to periods before school begins, after dismissal and during lunch time; 2) when distributing these materials, please be respectful of the school environment and personal choice; 3) on all printed matter and petitions distributed on school property, state the name of the sponsoring organization and the name of at least one student member of the organization; and 4) the administration may deny distribution of material which is obscene, according to current legal definitions, libelous or likely to create a clear and present danger or which promotes the commission of unlawful acts or disruption of the operation of the school.

Publications
All student publications are considered part of the curriculum and shall be produced by students. Editing shall be done by student editors. The principal may review materials prior to publication and may suspend publication of obscene material according to current legal standards, if it is libelous, if it is likely to create a clear and present danger because of the commission of unlawful acts, or it disrupts the operation of the school. (Board Policy 372).

Symbols
The wearing of arm-bands, buttons, or badges, bearing slogans or sayings shall be permitted unless obscene, according to the current legal standards, libelous, or likely to create a clear and present danger because of the commission of unlawful acts, or it disrupts the operation of the school.
Section IV - Rights and Responsibilities

**Progressive Discipline**

When students display appropriate behavior, such as regular attendance, promptness, and good citizenship, they will be recognized in a positive manner. This positive recognition may include praise from a staff member, certificates, awards, recognition at awards assemblies, and community recognition. When students face consequences for inappropriate behavior or decisions, we firmly believe in fairness and in providing opportunities for them to learn from their mistakes. We recognize their efforts to improve and to make better choices. If they continue to make poor decisions, they will be held accountable for their actions. Consequences increase based on number of disciplinary referrals and on the severity of the incidents. Examples include: warning, supervised lunch detentions, removal from class (District Code of Classroom Conduct), community service, loss of privileges, after-school detention, in-school suspension, Saturday school, out-of-school suspension (Board Policy 446.2, 446.3), fines, a pre-expulsion conference, parent conference, referral to the appropriate law enforcement agency, temporary or permanent removal from a class, and/or restitution. In addition, this may have an impact on their eligibility for participation in extracurricular activities, based on the athletic/activities code. See the Athletic/Activities Co-Curricular Handbook for further explanation. No personal electronic devices can be used during detention time.

A student who faces the consequences of out-of-school suspension is suspended from all school activities taking place on or off school grounds. Suspended students are not to be on school grounds or present at any school-sponsored activities throughout the period of suspension. Students suspended on a Friday may not participate in school activities until Monday.

Please refer to Disruption, pages 38-39, for further information on unacceptable behavior and accompanying consequences. If a student engages in inappropriate behavior not specifically cited in this document, the behavior will be dealt with in a manner that reflects the spirit of this document. School Board policy will be adhered to in carrying out any actions related to school disciplines.

**Student Harassment**

The Hamilton School District shall maintain a learning environment free from harassment or intimidation toward and between students regardless of race, color, creed, religion, disability, sex, sexual orientation, national origin, ancestry, citizenship, or other legally protected status. Harassment is a form of misconduct, which creates an intimidating, hostile, or offensive learning atmosphere. This includes the spreading of rumors and/or behavior intended to ostracize someone. This also includes severe episodes of non-verbal aggression.

Any student who believes he/she has been subjected to harassment should report the incident in accordance with the district’s established harassment complaint procedures. If the student is not comfortable discussing the incident with the designated person, he/she may report it to any employee. The employee will then report the incident in accordance with the procedures (See Appendix: Board Policy 411.2).

**Student Searches**

We have a responsibility to ensure the safety of all students. Therefore, school officials may search students if there is reasonable suspicion for suspecting that the search will turn up evidence that they have violated or are violating either the law or the rules of the school. The search measures taken must be reasonably related to the objectives of the search and not excessively intrusive in light of the student’s age and sex and the nature of the infraction (Board Policy 445).
Section IV - Rights and Responsibilities

Technology

The Hamilton School District provides students with a Chromebook and access to computers and related technologies as a means to further the educational goals and objectives of the district. Misuse of these resources may result in loss of technology privileges and/or disciplinary action. Students who are participating in the “Bring Your Own Device” policy will be responsible for following all rules as outlined in the agreement form. (Board Policy 365.1). In addition, students take full responsibility for the safety and security of the devices they bring into the building. Students should not share their logins or passwords with other students. In addition, students must submit an internet permission form before being allowed to access the Internet at school. (See Appendix: Board Policy 365.1, 365.1-Exhibit 3)

Theft and Vandalism

It is important to respect the property and rights of others. Students will be held accountable if they cause, or attempt to cause, damage to school or private property. The same applies if they steal school or private property, either on school premises or during a school function, off school premises. He/she may be referred to the police and consequences as outlined in “Progressive Discipline” may apply. Other consequences include restitution and community service. Students and their parent(s)/guardian(s) will be held accountable for damages. (Board Policy 443.7).

Threats to School Safety

Hamilton High School works to maintain a safe environment for all who enter. Any threats to that safety impact the educational process. The costs associated with, and the disruption and anxiety that come to a school community as a result of destructive acts or threats of violence are not acceptable. Be aware that Wisconsin law provides that “whoever intentionally conveys or causes to be conveyed any threat or false information, knowing such to be false, concerning any attempted or alleged attempt being made or to be made to destroy any property by the means of explosives shall be fined not more than $1,000 or imprisoned not more than one year in the county jail.” In addition, state law also provides that “whoever threatens to cause the death of or bodily harm to any person or to damage any person’s property is guilty of a Class I felony.” Additional school-related consequences may include suspension and/or referral for expulsion.

Tobacco and Nicotine Products

Any student using information technology will be instructed in its proper and ethical use including appropriate interactions with other individuals on social networking web sites and in chat rooms, cyber bullying awareness and response and will be expected to abide by established acceptable use guidelines. Internet access is a privilege, not a right. Information technology may be used for educational research, communication and collaboration purposes consistent with the educational goals and objectives of the district. ACCEPTABLE INFORMATION TECHNOLOGY USE AGREEMENT

This document is given to all student users of information technology in the Hamilton School District. Each student must sign the agreement and obtain a parent or guardian’s signature before being allowed to access information technology including the network, Internet, and district owned devices.

Internet access is available to students in the Hamilton School District. It offers vast, diverse, and unique resources to both students and staff.

The Internet is an electronic network connecting thousands of computers all over the world and millions of individual subscribers. It provides students with access to electronic communication; information and news; public domain software and shareware of all types; discussion groups; information from universities and from commercial, governmental, and other sources.

In accordance with federal law requirements, a technology protection measure (i.e., filtering) shall be in operation on all district computers with Internet access as one measure to protect against access to inappropriate or harmful material on the Internet, including visual depictions that are obscene or child pornography. On a global network, however, it is impossible to control all materials and a persistent user may discover controversial information. The District believes that the benefits of Internet access to students, in the form of information resources and opportunities for collaboration, far exceed any disadvantages.

The continued availability of information technology, including the Internet in the school district, relies upon the proper conduct of end users. Guidelines are provided so that students and their parents or guardians are aware of the responsibilities that accompany the privilege of using the network, including Internet access.

Guidelines for Use of Information Technology

1. The use of school devices must be consistent with the educational goals and objectives of the Hamilton School District. Accessing Internet sites or transmitting materials or images that could be obscene, (pornographic), harmful to minors or inappropriate is prohibited. Bullying, hate mail, harassment, discriminatory remarks, materials, and images promoting drug or alcohol abuse, physical abuse, and other antisocial behaviors are unacceptable.

2. Student may not represent their own opinions, written or implied, as those of the Hamilton School District or (name of school)

3. Illegal activities are strictly forbidden. Transmission of any material in violation of any U.S. or state law or regulation is prohibited. This includes, but is not limited to, copyrighted materials and threatening or obscene material.

Page 1 of 3
Hamilton School District
Acceptable Technology Use Agreement

4. District information technology including network, hardware, and software are the
   property of the Hamilton School District. System operators have access to all
   accounts and files.

5. Users shall abide by the rules of network use. These include using appropriate
   language, respecting the privacy of other users, and not disrupting the use of
   information technology or the network by other users.

6. All messages accessed, generated, received or stored within the district's
   student information system remain the property of the district. The district
   reserves the right to monitor and disclose communications therein in order to
   ensure it is being used for approved purposes only.

7. Users must not reveal any personal addresses or phone numbers or any other
   personal identifiers or those of others online.

8. All communications and information accessible via the network should be assumed
   to be intellectual property and subject to copyright protection. Use of these
   sources shall be credited appropriately as with the use of any copyrighted material.
   In some cases, authors' permission may need to be obtained before materials may
   be used.

9. The district's content filter is programmed to block access to materials or images
   that could be obscene, sexually explicit (pornographic), harmful to minors or
   inappropriate as required by the Children's Internet Protection Act (CIPA).
   However, the internet filter has limitations. It is the responsibility of the user to
   minimize the computer screen and alert the teacher if inappropriate content makes
   it through the filter.

10. Attempts to gain unauthorized access to system network, program or devices is
    prohibited.

11. Any malicious attempt to access, harm, modify, or destroy data, or data of another
    user is prohibited.

12. Students may not broadcast or post to the internet pictures, movies, video or other
    student created media taken during the school day or at a school activity without
    the consent of the building principal.

13. Students may not represent the Hamilton School District or its activities on district
    or personal technology without authorization of the school principal or district
    administrator.

Supervising instructors shall monitor network and Internet activities of students while in
school. Supervising instructors will monitor and enforce information technology use
guidelines.

Section 5 - Pertinent School Board Policies

1. The Hamilton School District will not deny any person admission to, or participation in, any public school in this district or otherwise discriminate against or harass others based on any of the characteristics described in this paragraph. This policy does not, however, prohibit the District from disciplining a student with a school, class, program, or activity based on objective standards of individual performance or need.

   a. “Discrimination” means any action, policy or practice, including bias, stereotyping, or pupil harassment, that is unreasonable, is not in the best interest of the student, or is discriminatory in that it is detrimental to a person or group of persons, and is either not provided to all students or is otherwise not available to all students.

   b. “Harassment” means behavior towards students based on sexual orientation or physical, mental, emotional, or learning disability, or any other reason prohibited by state or federal law that substantially interferes with a student’s school performance or creates an intimidating, hostile, or offensive school environment.

2. Harassment can arise from a broad range of physical or verbal behavior which can include, but is not limited to, the following:

   a. Physical or mental abuse;

   b. Racial, ethnic or religious insults or slurs;
Section 5 - Pertinent School Board Policies

c. Unwelcome sexual advances or touching;

d. Sexual comments, jokes, stories or innuendos;

e. Display of sexually explicit or otherwise offensive posters, calendars or materials;

f. Making sexual gestures with hands or body movements;

g. Referring to others as a doll, babe or honey;

h. Intentionally standing close or brushing up against others;

i. Inappropriately staring at others or touching his or her clothing, hair or body;

j. Whistling at others, cat calls; and

k. Asking personal questions about a person’s sexual life.

3. These activities are offensive and inappropriate in the school environment. This is a serious issue not just for the Hamilton School District, but also for each individual. The District specifically prohibits discriminatory or harassing conduct, condoning such conduct by allowing it to go on, and pre-judging harassment or discrimination complaints. The District’s policy prohibiting harassment applies to all students, whether at school, at school-sponsored co-curricular, extracurricular or social functions, or otherwise.

4. Any staff member who engages in harassment or discrimination or retaliates against another person because of harassment/discrimination report or participation in an investigation, is subject to immediate discipline, up to and including discharge and/or referral to law enforcement agencies if appropriate.

5. Any student who engages in harassment or discrimination, or retaliates against another person because of a harassment/discrimination report or participation in an investigation, is also subject to immediate discipline, up to and including suspension and expulsion from the Hamilton School District and/or referral to law enforcement agencies if appropriate.

6. School employees are required to report any incident(s) of discrimination and/or harassment that they witness or are otherwise made aware of. Students and other third parties are strongly encouraged to report such incident(s) of discrimination and/or harassment. Discrimination and harassment complaints shall be filed in accordance with established District complaint procedures. If a student believes he or she has been discriminated against in violation of Board Policy 411, the student should file a complaint pursuant to the Student Discrimination Complaint Procedures in 411-Rule. If an employee believes he or she has been discriminated against or harassed in violation of Board Policy 511, the employee should file a complaint pursuant to the Employee Discrimination and Harassment Complaint Procedures in 511-Rule. If either a student or an employee believes he or she has been subject to sexual harassment in violation of Board Policy 411.4, the student or employee should file a complaint pursuant to the procedures in Board Policy 411.4. All other complaints should be filed pursuant to the Discrimination and Harassment Procedures in 411.2-Rule. It is important that students, staff members and volunteers inform designated administrators about inappropriate conduct as soon as possible, because the District cannot do anything to remedy the problem if the District does not know that the problem exists.

If any person believes that he or she has been harassed or discriminated against in violation of Board Policy 411.2, he or she should follow the following procedures. If any person believes that he or she has been sexually harassed in violation of Board Policy 411.4, he or she should follow the complaint procedures in Board Policy 411.4. The following timelines apply unless all parties agree to an extension.

**Step 1.**

The District will attempt to resolve discrimination and harassment complaints on an informal basis, if the complainant asks to do so. Upon a complainant's request, the building principal/designee will meet with the complainant and, if applicable, the alleged harassers/offender. If the parties resolve the matter, the principal/designee will prepare a written statement outlining the resolution. If the complainant is not satisfied with the outcome of the meeting, the complainant may present a complaint in writing to request formal investigation of the complaint.

Discrimination complaints relating to the identification, evaluation, educational placement or the provision of free appropriate public education of a student with a disability shall be processed in accordance with established appeal procedures outlined in the District's Special Education Handbook.

**Step 2.**

To begin the formal complaint process, a complainant must submit a written complaint to the Director of Human Resources and Organizational Development at:

Hamilton School District  
W220 N5151 Town Line Road  
Sussex, WI 53089  
252-245-1973

Complaint forms are available in each school office. The Director of Human Resources and Organizational Development or his/her designee will send the complainant written acknowledgment of the complaint within 10 days after receiving the complaint.

**Step 3.**

The District will investigate harassment and discrimination complaints promptly, thoroughly, and impartially. The Director of Human Resources and Organizational Development or his/her designee shall conduct the investigation or appoint an investigative team or independent consultant to do so.
Section 5 - Pertinent School Board Policies

The Director of Human Resources and Organizational Development or designee will prepare a written report regarding the investigation, including a description of the District's conclusions and, if appropriate and allowed by law, any action taken. The Director of Human Resources and Organizational Development or designee shall send a copy of the report to the complainant, District Administrator, and if applicable, the alleged harasser/offender and the school board within 35 days after the District receives the complaint. The report shall include a notice of the right to appeal the decision to the District Administrator.

At the outset of the investigation, the investigator shall consider whether, given the nature of the allegations in the complaint, interim measures should be adopted to protect the alleged victim and prevent harassment from occurring while the investigation is being conducted.

Step 4.

If the complainant is not satisfied with the report of the Director of Human Resources and Organizational Development, a written appeal may be submitted to the District Administrator within ten (10) calendar days after the report is sent by the Director of Human Resources and Organizational Development, indicating the nature of the disagreement. The District Administrator/designee may schedule a meeting of all parties to review the issues presented in the appeal. The District Administrator shall provide a written response outlining the findings and disposition of the appeal within ten (10) calendar days from the date the appeal is filed. The response shall include a notice of the right to appeal the decision to the Board of Education.

Step 5.

If a party is not satisfied with the results of the investigation report or the District Administrator's decision, he or she may appeal the decision to the Board of Education. To appeal the decision, a party must submit a written appeal to the Board within 10 days after the District sends the investigation report to the parties. The Board of Education will review the record and send a written decision to the parties and the district administrator within 25 days after receiving the appeal. Before issuing a decision the Board may, at its discretion, hold a private conference with the parties.

Step 6.

If either party is not satisfied with the decision of the Board of Education, the party may appeal the decision to the State Superintendent within 30 days after receipt of the Board's decision. Parties should send appeals to the following address:

State Superintendent
Wisconsin Department of Public Instruction
125 South Webster Street
P.O. Box 7841
Madison, Wisconsin 53707-7841

Nothing in this procedure shall preclude a student or parent from pursuing a discrimination or harassment complaint through the avenues provided by state or federal law. For example, complainants may file a complaint with the U.S. Department of Education's Office for Civil Rights. Students with a disability under Section 504 of the Rehabilitation Act may also request a Section 504 due process hearing.

Discrimination complaints relating to programs specifically governed by federal law or regulation shall be referred directly to the State Superintendent of Public Instruction.

Maintenance of Complaint Records

The maintenance of complaint records is recommended for the purpose of documenting compliance. Records should be kept for each complaint filed, and, at a minimum, should include:

1. The name and address of the complainant and his/her title or status.
2. The date the complaint was filed.
3. The specific allegation made and any corrective action requested by the complainant.
4. The name and address of the respondents.
5. The levels of processing followed, and the resolution, date and decision-making authority at each level.
6. A summary of facts and evidence presented by each party involved.
Section 5 - Pertinent School Board Policies

7. A determination of the facts, statement of the final resolution, and the nature and date(s) of any corrective or remedial action taken.

Special Education Handbook
The Hamilton School District Board of Education supports an educational environment that is free of bullying. It is the policy of the District that its students, employees, or volunteers will not be allowed to engage in any form of bullying or intimidation toward other students, employees, or volunteers.

“Bullying” is deliberate verbal or non-verbal behavior which is intended to humiliate or harm another person, and which negatively impacts the educational environment or the other person’s physical, emotional, or psychological well-being. For example, bullying may include, but is not limited to, physical contact or the threat of physical contact, threats, or name-calling. Bullying may involve an imbalance of power and is typically behavior that is repeated over time. Bullying may be motivated by an actual or perceived distinguishing characteristic, such as age, sex, race, color, religion, national origin, creed, pregnancy, marital or parental status, ethnicity, sexual orientation, physical attributes, or physical, mental, emotional or learning disability, or social or economic status.

"Intimidation" means to make timid or fearful, to frighten, or to compel or deter by or as if by threats.

Behaviors characterized as bullying or intimidation are prohibited in all schools, buildings, or property owned, leased, or used by the District; including school buses and school vehicles. Bullying or intimidation behavior is also prohibited at all school-sponsored and school-supervised events and activities. Even if the bullying or intimidation does not occur on District premises or at school-sponsored events or activities, it may still be addressed by the District and result in disciplinary consequences if it negatively impacts the educational environment or the victim’s physical, emotional, or psychological well-being at school.

Cyberbullying is prohibited and includes, but is not limited to, the use of information and communication technology (e.g., cell phones, computers, websites, social media, and e-mail) to bully, intimidate, threaten, abuse, or harass a student. Even if the cyberbullying is not done using District resources and does not occur on District premises or at school-sponsored events or activities, it may still be addressed by the District and result in disciplinary consequences if it negatively impacts the educational environment or the victim’s physical, emotional, or psychological well-being at school.

If a student or a student’s parent/guardian believes the student has been subjected to bullying/intimidation, the student or parent/guardian should report the incident(s) to the classroom teacher or activity supervisor for informal investigation and resolution. The parent/guardian of a child involved in an alleged bullying incident will be notified. If the issue is not resolved to the satisfaction of the student and/or student’s parent/guardian, the student and/or parent/guardian may appeal to the principal for informal investigation and resolution.
Section 5 - Pertinent School Board Policies

If an employee or volunteer believes they have been subjected to bullying/intimidation, they should report the incident to the principal or volunteer supervisor for an informal investigation.

Reports of bullying/intimidation may be made verbally or in writing. The reports will be investigated promptly and kept confidential within the bounds of the District’s investigation and the law. Any teacher who receives an informal complaint of bullying shall investigate the complaint, take action to resolve the matter and inform the principal. At any time during the process, or upon receiving the teacher’s report, the principal may decide to further investigate the incident(s) or take further action. The principal shall document any such investigation or action taken. The principal shall also investigate, take action to resolve the matter and document any appeals made by a student or parent/guardian challenging the teacher’s findings/resolution.

If the investigation determines that the reported behavior was in fact bullying/intimidation, the offender will be subject to discipline, up to and including discharge, suspension, expulsion, and referral to social services or law enforcement agencies.

If a student or parent is not satisfied with the outcome of the informal investigation, the student or parent may request a formal investigation by submitting a written complaint pursuant to the District’s Discrimination and Harassment Complaint Procedures (411.2-Rule).

If an employee is not satisfied with the outcome of the informal investigation, the employee or volunteer may request a formal investigation by submitting a written complaint pursuant to the District’s Employee Discrimination and Harassment Complaint Procedures (511-Rule).

School employees are required to report incidents of bullying/intimidation that they witness or are made aware of. Third party witnesses are strongly encouraged to report such incidents. Efforts will be made, when requested, to maintain the confidentiality of a witness’s identity unless the witness is requested to testify in a hearing. Retaliation against any individual who reports bullying/intimidation or participates in a bullying/intimidation investigation is strictly forbidden by the District. Anyone who practices such retaliation will be subject to immediate discipline, up to and including discharge, suspension, expulsion, or referral to social services or law enforcement agencies.

Education, intervention and prevention shall exist for staff and students to ensure a learning environment free of bullying or intimidation toward and between students and staff. The Administration and staff will inform students and staff that the Hamilton School District does not tolerate bullying or intimidation and will take all necessary and appropriate action to eliminate it, up to and including discharge or expulsion of offenders.

This policy and complaint procedure will be made available to all students and their parents/guardians on an annual basis. Employees will be informed of the policy on an annual basis. A copy of the policy will also be provided to any person who requests it.

   a. There will be an administrative review, looking for patterns of absence and determining if social or learning problems are a cause of the student’s truancy or if a change in the student’s program might resolve the truancy.
Section 5 - Pertinent School Board Policies

The Hamilton School District prohibits discriminatory or harassing conduct, condoning such conduct by allowing it to go on, and pre-judging harassment or discrimination complaints. This policy prohibiting harassment applies to all employees and students, whether at school, at school-sponsored co-curricular, extracurricular or social functions, or otherwise. This policy prohibits employee and student harassment or discrimination on the basis of sex prohibited by federal law, including Title IX of the Education Amendments of 1972. The Hamilton School District will take all necessary and appropriate action to eliminate it. Individuals who violate this Policy are subject to discipline, up to and including expulsion or termination.

"Sexual harassment" is defined as conduct on the basis of sex that satisfies one or more of the following:

a. A school employee conditioning education benefits or opportunities on participation of unwelcome sexual conduct (i.e., quid pro quo);

b. Unwelcome conduct that a reasonable person would find to be sufficiently severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity;

c. Sexual assault (as defined in the Clergy Act), dating violence, domestic violence, or stalking as defined in the Violence Against Women Act.

For the purposes of this policy, the sexual harassment must occur during a school educational program or activity, which includes locations, events, or circumstances over which the school exercised substantial control over both the respondent and the context in which the sexual harassment occurred, whether on or off-campus. This includes but is not limited to instances of student and employee complaints.

Sexual harassment can arise from a broad range of physical or verbal behavior which can include, but is not limited to, the following:

a. Physical or mental abuse;

b. Unwelcome sexual advances or touching;

c. Sexual comments, jokes, stories or innuendos;

d. Display of sexually explicit or otherwise offensive posters, calendars or materials;

e. Making sexual gestures with hands or body movements;

f. Referring to others as a doll, babe or honey;

g. Intentionally standing close or brushing up against others;

h. Inappropriately staring at others or touching his or her clothing, hair or body;

i. Whistling at others, cat calls; and

j. Asking personal questions about a person's sexual life.

Even if it is consensual and would not otherwise violate this Policy, a sexual relationship between staff and students under any circumstances, in or out of the workplace, is strictly prohibited.

Individuals who experience sexual harassment should make it clear to the harasser that such behavior is offensive to them, and they may process a complaint pursuant to this policy. There shall be no retaliation against any individual.
pursuing a sexual harassment complaint made in good faith. Any individual who retaliates against a complainant will be subject to disciplinary action.

Any person who believes he or she has been sexually harassed by a student, employee, or other person should report the incident(s) in accordance with the complaint procedures below. All District employees are required to report any incidence(s) of sexual harassment that they witness or are otherwise made aware of. The District will promptly investigate the complaint and will take appropriate action based on the findings of the investigation.

1. Complaint Procedures/Investigations

If any person believes that he or she has been harassed or discriminated against in violation of this Board Policy, he or she should follow the following procedures. The following timelines apply unless all parties agree to an extension. The following procedures are adopted to provide for the resolution of employee, student, applicant, or volunteer complaints alleging any sexual harassment.

a. Step One: Filing a Report

The District is required to respond to all reports of sexual harassment. Any person with actual knowledge of sexual harassment that occurred in an education program or activity against a person in the United States must report the sexual harassment to the Title IX Coordinator. A report may be made either orally or in writing to the Title IX Coordinator by phone, email, mail, or any other means to ensure the receipt of the report. The Title IX Coordinator(s) are listed below.

John Roubik
Director of Human Resources and Organizational Development
W220 N6151 Town Line Road
Sussex, WI 53089
262-246-1973 ext. 1179
roubjo@hamilton.k12.wi.us

Upon receipt of a report of sexual harassment, the Title IX Coordinator will contact the complainant/victim to discuss the availability of supportive measures and explain the process for filing a formal complaint.

b. Step Two: Filing a Formal Complaint

A formal complaint is a complaint written and signed by the complainant/victim or signed by the Title IX Coordinator. The complaint should include: the date(s) of the incident(s); a description of the incident(s); the identity of the alleged harasser; the identity of any witnesses to the alleged harassment; and the name, home address, e-mail address, and phone number of the complainant.

Upon receipt of a formal complaint, the Title IX Coordinator must provide written notice to the complainant and the respondent of the allegations contained in the complaint. The notice shall include: (1) a description of the allegations of sexual harassment constituting sexual harassment; (2) a statement that the accused is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made after the grievance process; (3) a statement that the complainant and the accused may have an advisor of their choice, who may be, but is not required to be, an attorney; (4) a statement that the complainant and the accused may inspect and review evidence collected during the investigation; and (5) a reference to a provision in the District’s code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

c. Step Three: The Grievance and Investigation Process

After receipt of a formal complaint containing allegations of sexual harassment, the Title IX Coordinator will assign an investigator. The Title IX Coordinator may assign him/herself as the investigator.

The investigator will investigate the complaint promptly, thoroughly, and impartially. The investigation shall include an interview of the alleged harasser; witnesses identified by the complainant, and other individuals deemed appropriate by the investigator.
Section 5 - Pertinent School Board Policies

Prior to any investigatory interviews, meetings, or hearings the investigator must send each party a written notice of the date, time, and location of such interviews or meetings. Throughout the investigation, the investigator must send the parties and their advisors all evidence directly related to the investigation, allowing the parties at least ten (10) days to respond. The parties will have an equal opportunity to present fact and expert witnesses in addition to other inculpatory and exculpatory evidence. The parties are not restricted from discussing the allegations or gathering evidence. Evidence of any party’s medical, psychological, or similar records may not be accessed or used, unless the party provides voluntary, written consent to do so.

Within thirty-five (35) working days of receiving the written complaint, the investigator shall complete the investigation and prepare an investigatory report that summarizes evidence. The timelines may be extended if necessary to complete a thorough investigation (e.g., depending on the investigatory report shall be sent to both parties with at least ten (10) days to review and respond. The investigator shall also deliver the report to the decision-maker that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the complainant has been subjected to harassment.

Within five (5) business days from receipt of the investigatory report, the decision-maker shall issue a final written decision as to whether the allegations of sexual harassment are substantiated, including any disciplinary sanctions or remedies imposed on the parties. A copy of the decision-maker’s final decision will be delivered to both the complainant and the respondent, and will provide information regarding the appeals process. When making a determination of responsibility, the District adopts a preponderance of the evidence evidentiary standard. This standard is applied to all formal complaints of sexual harassment, whether the respondent is a student or an employee.

d. Step Four: Appeal to the District Administrator

If a party is not satisfied with the determination of responsibility by the decision-maker, a written appeal may be submitted to the District Administrator within ten (10) calendar days after the determination of responsibility is delivered, indicating the nature of the disagreement. The District Administrator/designee may schedule a meeting of all parties to review the issues presented in the appeal. The District Administrator shall provide a written response outlining the findings and disposition of the appeal within ten (10) calendar days from the date the appeal is filed. The response shall include a notice of the right to appeal the decision to the Board of Education.

e. Step Five: Appeal to the Board of Education

If a party is not satisfied with the results of the investigation report or the District Administrator’s decision, he or she may appeal the decision to the Board of Education. To appeal the decision, a party must submit a written appeal to the Board within 10 days after the District sends the investigation report to the parties. The Board of Education will review the record and send a written decision to the parties and the district administrator within 25 days after receiving the appeal. Before issuing a decision the Board may, at its discretion, hold a private conference with the parties.

f. Step Six:

If either party is not satisfied with the decision of the Board of Education, the party may appeal the decision to the State Superintendent within 30 days after receipt of the Board’s decision. Parties should send appeals to the following address:

State Superintendent
Wisconsin Department of Public Instruction
125 South Webster Street
P.O. Box 7841
Madison, Wisconsin 53707-7841

Nothing in this procedure shall preclude a student or parent from pursuing a discrimination or harassment complaint through the avenues provided by state or federal law.

2. Dismissal
Section 5 - Pertinent School Board Policies

8/25/2020  BoardDocs® Policy: 411.4 Title IX Sexual Harassment Prohibited

If the conduct alleged in the formal complaint does not constitute sexual harassment under Title IX, did not occur during a District educational program or activity, or did not occur in the United States, the District must dismiss the complaint for the purposes of Title IX. The dismissal of a formal complaint for the purposes of Title IX does not preclude the District from taking action under other District policies.

The District may dismiss a formal complaint if the complainant informs the Title IX Coordinator in writing that s/he wishes to withdraw the complaint, if the respondent is no longer enrolled or employed by the school, or if circumstances prevent the District from gathering evidence to reach a determination.

In the event of a dismissal, the District must provide the parties written notice of the dismissal and the reasons for the dismissal.

3. Informal Resolution

The District will attempt to resolve harassment complaints on an informal basis, if both parties give voluntary and informed written consent. An informal resolution process may only be offered after a formal complaint is filed. If both parties have given voluntary and informed written consent, the building principal/designee will meet with the complainant and, if applicable, the alleged harasser/offender. If the parties resolve the matter, the principal/designee will prepare a written statement outlining the resolution.

If an informal resolution process has begun, any party has the right to withdraw from the informal resolution process and resume the above-stated grievance process.

The District may not require waiver of the right to formal investigation and adjudication as a condition of enrollment or employment.

Informal resolution processes cannot be offered to resolve allegations that an employee sexually harassed a student.

Maintenance of Complaint Records

The maintenance of complaint records is recommended for the purpose of documenting compliance. Records should be kept at least seven (7) years for each complaint filed, and, at a minimum, should include:

1. The name and address of the complainant and his/her title or status.
2. The date the complaint was filed.
3. The specific allegation made and any corrective action requested by the complainant.
4. The name and address of the respondents.
5. The levels of processing followed, and the resolution, date and decision-making authority at each level.
6. A summary of facts and evidence presented by each party involved.
7. A determination of the facts, statement of the final resolution, and the nature and date(s) of any corrective or remedial action taken.

School authorities have an interest in the preservation and maintenance of the property, health, and safety of others and in the maintenance of order for all those in the schools of the district.

The school provides lockers for the convenience of students to be used solely and exclusively for the storage of outer garments, footwear, and school-related items. No student shall use the locker for any other purpose.

The locker assigned to a student is the property of the Hamilton School District. Although the district expects students to assume full responsibility for the security and contents of their lockers, at no time does the district relinquish its exclusive control of such lockers. A locker may be searched as determined necessary or appropriate without notice, without student consent, and without a search warrant. The search may be conducted by the district administrator, a building principal, an assistant principal, a school employee specifically designated by the district administrator or building principal, a police school liaison officer, or a law enforcement or other agency official at the request of or in conjunction with school authorities.

Any unauthorized item(s) found in the locker may be removed. The item(s) removed from the locker may be confiscated or held for disciplinary proceedings, turned over to law enforcement officials, or returned to the parent(s)/guardian(s) of the student. The adult student or parent(s)/guardian(s) of a minor student shall be notified of item(s) removed from the locker or those which are against school rules or policies.

Students will be notified of the student locker search policy through the student handbook distributed annually. The Hamilton School District does not assume responsibility for the loss, damage, or destruction of any property stored in the student lockers.

Video Monitoring on School Grounds

The Hamilton School District authorizes the use of video cameras on school grounds as outlined in this policy for the primary purpose of preventing disciplinary problems and vandalism on its premises.

Parents/guardians will be notified once a year that video cameras are being used in the school entrances and in the high school parking lot and driveways, and a sign will be placed at the entrances of each school building and at the entrances of the high school parking lot and driveways indicating that video cameras may be present. Such notification will be included in student handbooks.

Video and Audio Monitoring System on School Buses

The Hamilton School District authorizes the use of video/audio cameras on school buses as outlined in this policy for the primary purpose of preventing disciplinary problems and vandalism on buses, thereby allowing the drivers to focus on the driving of the bus and providing for safer transportation of students.

Parents/guardians will be notified once a year that video/audio cameras are being used on the buses, and a sign will be placed at the front of each bus indicating that video/audio cameras may be present. Such notification will be included with student handbooks and/or distribution of individual bus route information sent to each bus rider.

Viewing, Use, and Confidentiality of Recordings

District, Board members, and law enforcement officers individually designated by the Board and assigned to the District, are authorized to view the recordings for the purpose of documenting a problem and determining which students may be involved.

The District administrator or designee may authorize persons employed by the District who are required to be DPI-licensed, such as a school counselor, school psychologist, or school social worker, to view segments of specific recordings if such individuals have a legitimate educational interest in the recordings. In addition, the bus company manager and/or bus drivers may view the recordings for the purpose of resolving a problem.

An adult student or the parent or guardian of a minor student to which a recording relates may view the isolated segment of the recording after it has been appropriately redacted (if redaction is required by applicable state or federal laws). A District administrator will view the video recording with the student and/or his/her parent/guardian. A log will be kept of the date and names of the individuals viewing the video recording and provided to the Director of Business Services.
Section 5 - Pertinent School Board Policies

The recordings will not be available for viewing by other individuals unless required by applicable state or federal laws.

Disciplinary action may be taken with students or personnel based on recordings in accordance with applicable state and federal laws and Board policies and regulations. Information obtained from recordings may also be used to support the orderly operation of the District's schools and facilities for any other purpose permitted by state and federal laws and Board policies and regulations. Recordings obtained may be used as evidence in any disciplinary proceeding, administrative proceeding, or criminal proceeding, subject to state and federal laws and Board policies and regulations.

Recordings may become a part of a staff member's personnel file that are subject to rules regarding personnel records under state and federal laws and as outlined in Board policies and regulations. Recordings of students may be considered student records that are subject to rules regarding student records under the Wisconsin Pupil Records Law and the Family Educational Rights and Privacy Act (FERPA) as outlined in Board policies and regulations.

Authorized video recording for educational, instructional and/or research purposes is permitted and is not addressed by this policy.

Any student who takes action to block, move or alter the location and/or viewing angle of a video camera shall be subject to disciplinary action up to and including expulsion. Any employee who takes action to block, move or alter the location and/or viewing angle of a video camera shall be subject to disciplinary action up to and including termination of employment. The District will follow a prepayment system for students who pay the full price or reduced price for school meals (lunches), and for students who wish to obtain à la carte items. Parents/Guardians are responsible for keeping money in a school meal account to pay for meals and à la carte items. Prepaying for school meals and à la carte items through a school meal account, or payment in the form of cash or check at time of purchase, is required before these items may be obtained. School meal account procedures are as follows:

1. School meal accounts will be reviewed daily. As a courtesy, when a student’s school meal account has a low fund balance (equal to or less than the cost of five meals), the District’s computer messaging system reminds parents/guardians to put money in their student’s school meal account through email, phone call, or text message, as indicated by the parent/guardian when registering the student in the online student information system (Infinite Campus) (which can be changed by the parent/guardian at any time).

2. Parent/Guardians and/or students may add funds to their school meal account on the day of service by making an electronic payment through the online student information system or by paying with cash or check at the school office or at time of purchase.

3. Maintaining a positive balance will prevent the District from having to use the next steps. If a school meal account falls to $0, the following procedures will be implemented based on the grade level indicated:

   a. Students in grades PK-6: An “emergency fund” is set up for students in grades PK-6 who do not have money for lunch. Students are allowed to borrow from this fund to pay for a maximum of two lunch meals. If a student has borrowed from the emergency fund to pay for two lunch meals and there is a third day in which the student has no lunch money, the student is not provided with the menu option, but is provided with an alternate meal consisting of a cheese sandwich, milk, and fruit. Students with disabilities will be provided with a modified alternate meal when required by law and in accordance with the law. The alternate meal will be charged to the emergency fund as an à la carte item. Parents/Guardians are responsible for paying back the emergency fund. The school administration will communicate with parents/guardians in order to recoup the cost to the emergency fund, if a student has borrowed the maximum from the emergency fund (the cost of two lunch meals), then the student cannot borrow from the fund again until the fund is paid back in full, except where otherwise required by law for students with disabilities.

   b. Students in grades 7-12: The middle and high schools do not allow students to borrow from an emergency fund to pay for lunches, nor do they provide alternate meals to students who do not have money in their school meal accounts, except where otherwise required by law for students with disabilities.

   c. Second entree options and à la carte purchases will not be allowed for any student regardless of grade level if the student’s school meal account does not have a positive balance.
Section 5 - Pertinent School Board Policies

5/20/2020

4. No student may be denied access to a school meal if either of the following apply:

a. The student is currently eligible to receive free school meals, even if the student’s parent/guardian owes an unpaid debt to the emergency fund that was accrued prior to the date of the student’s eligibility; or

b. The student has sufficient funds to pay for the school meal on the day of service, even if earlier debts to the emergency fund remain unpaid.

If a student repeatedly or continuously has insufficient funds in their school meal account, and the parent/guardian fails to provide a cold lunch or a lunch money, District employees will review their respective obligations under Wis. Stat. §118.17 (related to indigent children) and Wis. Stat. § 48.951 (related to abused or neglected children) and make any reports that the law requires.

Balance Refunds:

School meal accounts with a positive balance at the end of the school year will carry over to the following school year. If a graduating senior has a positive balance, it will be distributed to a sibling returning to the District the following year. If a graduating senior’s school meal account balance is less than $10.00 and there is no returning sibling, cash will be given to the graduating senior within the last week of school. If a graduating senior’s school meal account balance is $10.00 or more and there is no returning sibling, a check will be mailed out at the end of the school year to the primary parent/guardian. If a student with a positive balance moves out of District or becomes eligible for free meals, the District will attempt to contact the student’s parent/guardian to return the funds remaining in the school meal account. Requests for a refund can also be made to the Hamilton School District Business Office (262-246-1973).
