

HAMILTON FINE ARTS CENTER

Performer Information and Guidelines

With the safety and well-being of our patrons, performers, staff, students and community at the forefront of our minds, we are eager to welcome you back to the HFAC!

Based on guidance from the Hamilton School District and our local government agencies, we are implementing new safety measures, which are applicable at all times in all areas of the building for all types of uses (both rehearsals and performances).

Here's what you need to know about returning to the HFAC...

At Risk Patrons and Performers

- Those who are at-risk (such as those over 65 years old, those with underlying health conditions, or those feeling ill) should stay home.
- Properly worn face coverings (covering the nose and mouth) must be worn at all times within the building, including when on stage.
- There will be no onsite ticket sales, concessions or coat check.
- The theatre must be cleared for at least 60 minutes between each show.

Rehearsal and Pre-show Arrival

- A single entrance door on the south side (ADA-accessible) of the HFAC will be open for staff and performers. Staff and performers will move directly from the lobby entrance to the backstage. There will be no congregating in the lobby.
- Only working staff and performers are allowed in the building during rehearsals. All others (including parents) must wait outside the building.
- Staff and performers must be in the building at least 30 minutes before the show.

Social Distancing is Required

- Staff and performers should adhere to social distancing guidelines and must wear a face covering in all areas, including when actively performing on stage. These areas include lobby, dressing rooms, green rooms, stage, backstage hallways, etc.
- There will be no congregating in the lobby before, during or after a rehearsal or event.
- Shows less than 90-minutes are encouraged. No intermissions are allowed.

Programs, Handouts and Tickets

- To avoid lobby congestion and assure event is within capacity guidelines, all tickets must be sold prior to event.
- We strongly suggest all groups will use digital programs, handouts and tickets.
- If digital formats are not feasible, programs or handouts will be available for pickup from a table in the lobby.
- Only ticket holders, performers and scheduled staff are allowed in the building. Those waiting for performers must do so outside the building.
- Tickets will not be collected.

Food and Beverage

- To avoid unnecessary cleaning by our staff, absolutely no food or beverage will be allowed in the building by patrons. These items will be disposed of prior to entering the lobby. Performers may bring water bottles.
- There will be no concessions offered.
- There will be no access to the drinking fountains. Backstage bottle fillers are available.

Cleaning and Sanitizing

- Bathrooms and touchpoints will be cleaned prior to your arrival. You must provide sanitizer and cleaning supplies for your own backstage use.
- All performers should have their own assigned microphones for their performance. Your stage crew is responsible for properly sanitizing the microphone before and after use.
- For multiple rehearsal or show days, all personal items (instruments, dance bags, etc.) must be taken home each day.

Guidelines are subject to change based on recommendations from state and local health departments. Any violation of policies could lead to dismissal from building. In the event of dismissal, refunds will not be provided.
