

COVID-19 symptoms & guidance on general illness

COVID-19 symptoms

Stay home and contact your healthcare provider if you are experiencing the following symptoms:

One or more:

- Cough
- Shortness of breath
- New loss of taste or smell

Two or more:

- Congestion or runny nose
- Fever 100.4 F or above/chills
- Nauseas or vomiting
- Muscle or body aches
- Fatigue
- Sore throat
- Diarrhea
- Headache

Important reminder:

Students with a pending COVID-19 test should stay home until those results are available.

Guidance on when to stay home due to general illness

Even if a child does not have COVID-19 symptoms, follow these [guidelines on when it's best to stay home from school](#)
