

**HAMILTON HIGH SCHOOL  
LOCAL SCHOLARSHIP APPLICATION 2023**

**INSTRUCTIONS**

1. Please read through the application carefully. The application must be completed online, printed, signed, and submitted to Student Services. **Supplemental sheets may be added only after you have filled in the application. Do not attach additional sheets instead of filling in the application.** Neatness and correct grammar influence the reader. Use the application to promote yourself; be specific and thorough. Follow directions carefully and have someone proofread for accuracy to avoid having your application disqualified by the donor. **All applications are reviewed anonymously.**
2. Please give those who are writing **letters of recommendation** for you plenty of notice. We recommend **one to two weeks**. This will enable them to give thought to their letters and present you in the best way possible. Giving the person a summary of your activities will help them write a more personalized letter. Guidelines for letters of recommendation are available in Student Services.
3. **Your entire, completed application is due to Mrs. Williams in the Student Services Office by February 13, 2023. The deadline is firm.** A scholarship committee convenes to select recipients and we must have the applications ready for them. You need to take responsibility for making sure your letters of recommendation are also submitted to Student Services by **February 13, 2023.**
4. If you are selected as a recipient of a scholarship, **you must attend the Senior Scholarship Ceremony to be recognized.** It is important to the donor organizations that you are present to receive your award. The ceremony is **May 17, 2023, at 7:00 p.m.** Please put this date on your calendar now to avoid conflicts.

Note: The organizations that offer these scholarships have their own criteria for selecting the recipient(s). Some place more emphasis on your academic accomplishments than others. Some are looking for students going into a specific field, or a two- or four-year school. Some may put more emphasis on your volunteer work/community involvement.
