

COMMUNITY CONNECTS Winter 2026

Dear Community,

As we begin 2026, I hope this message finds you and your family well.

We are proud to share that our district recently earned the highest rating on the Wisconsin School Report Card, an achievement made possible by our shared commitment to student success. This commitment begins with the Willow Springs Advantage and continues through high school with our expanding AP course offerings, rising exam scores and industry-aligned Career and Technical Education classes.

At the start of this school year, students began using the new and renovated spaces made possible by our community-approved referendum, along with parking lot enhancements that improved traffic flow around several school buildings. All projects were completed on time and within budget. We are grateful for your continued partnership and support.

Sincerely,

Dr. Paul Mielke

Superintendent

The Willow Springs Advantage

Children who attend 4K at Willow Springs Learning Center begin 5K with foundational literacy skills that average 10 percentile points higher* than peers from daycare programs. By prioritizing district-aligned goals, Willow Springs lays a strong foundation for continued academic success.
